HEALTH AMENDMENT BILL

*Proposed Amendment*

EXPLANATORY NOTE

As the Bill was introduced, all provisions would have come into force on the 28th day after its passing. The Health and Welfare Committee reported that *clauses 4 and 5* should come into force on 1 April 1983. The amendment in this paper leaves that date for *clause 4*, but *clause 5* will come into force with the rest of the Bill as originally intended.
