HOUSE OF REPRESENTATIVES.

Thursday, the 29th day of July, 1886.

HOSPITALS AND CHARITABLE INSTITUTIONS.

Hon Sir R. STOUT, in Committee, to move,—

After clause 2 insert:—

2F. At every meeting of the Board of any district under the said Act or this Act, or of the Board of Trustees of any separate institution, the Chairman or President of such meeting shall have an original vote, and, in case of an equality of votes on any question, shall also have a second or a casting vote.

After clause 6 insert:—

6A. The provisions of section *six* shall be construed retrospectively, and be deemed to have been in force from the date of the commencement of the said Act.

6B. Before any person shall be paid any money for travelling expenses under subsection two of section *six*, he shall deliver to the Chairman of the Board from which he claims the same a statutory declaration made and signed by him under “The Justices of the Peace Act, 1882,” that he has not been paid, and is not entitled to receive any sum in respect of the same travelling expenses from any other Board or corporation under any other Act.

But no person, being the holder of a free pass on a railway, shall be paid any money in respect of expenses for travelling on such railway.

6C. The Trustees of any separate institution may, out of the funds thereof, pay such salaries and general expenses as shall be necessary in and towards the due administration of the said Act in respect of such institution, and may pay to any Trustee the actual cost of the fare by railway, if he is not the holder of a free pass on such railway, or by coach or water conveyance incurred by any such Trustee in going to or returning from any meeting of the Trustees when duly summoned; but not more than *five* pounds in the whole shall be paid to any Trustee under this section in any one year.

Mr. HATCH to move the following new clause:—

13A. It shall not be competent for any member of the Board of any district or united district or separate district under the said Act or this Act to be or to be elected a Trustee of a separate institution; nor shall any Trustee as last aforesaid be capable of being or being appointed or elected as a member of any Board as aforesaid.

The office of every Trustee of a separate institution shall be, *ipso facto*, vacated by his election or appointment to any Board as aforesaid; and this provision shall apply to all persons being Trustees as aforesaid at the time of the passing of this Act, as well as to all such future Trustees.
