HEALTH SERVICE PERSONNEL BILL

*Proposed Amendment*

Hon. Mr MALCOLM, in Committee, to move the following amendment:

*Clause 62:* To omit paragraph (c) (all the words in lines 19 to 21 on page 43).

---

EXPLANATORY NOTE

This provision, which would allow notification to a particular employee to be published in the *Health Service Official Circular* (rather than sent to the employee personally) is in conflict with *subclauses (8) and (9) of clause 39*. These provisions require individual notification to applicants who have rights of appeal against an appointment. It is now considered that personal notification is appropriate in all cases, so *paragraph (c)* can be dropped.
