Explanatory note

This Supplementary Order Paper amends the Injury Prevention, Rehabilitation, and Compensation Amendment Bill (No 3) to—

- defer by 2 months the commencement of provisions that were originally intended to take effect on 1 April 2005, and defer the commencement of *clauses 36 and 47(2)* until 1 April 2006;
- provide for the repeals in *clause 3(2)* (definitions of types of health professionals) to take effect on different dates. It is intended that regulations will define terms formerly defined in the Act;
- clarify that the discretion under *clause 20* applies only to the provision of entitlements for periods starting on or after the date on which the new provision comes into force;
- provide for funds in the Employers’ Account, Residual Claims Account, and Self-Employed Work Account to be applied to meet the costs of entitlements for certain personal injury caused by work-related gradual process, disease, or infection;
- enable the amendment of levies regulations under the principal Act to reflect the fact that the Bill requires private domestic workers to pay the Employers’ Account levy rather than the Self-Employed Account levy;
- clarify that new *clauses 38 and 39* of Schedule 1 of the principal Act (as set out in *Schedule 1* of the Bill) apply to claims for weekly compensation made on or after 1 June 2005, whether the relevant period of incapacity started before or on or after that date;
- replace references to the term **income year** in those new clauses 38 and 39 with references to **tax year**, to ensure consistency with changes made to the principal Act by the Income Tax Act 2004;
- update references to “spouse” as a result of the passage of the Relationships (Statutory References) Bill.
