

SUPPLEMENTARY ORDER PAPER.

HOUSE OF REPRESENTATIVES.

Tuesday, the 13th day of December, 1887.

MUNICIPAL CORPORATIONS ACT AMENDMENT BILL.

Major STEWARD, in Committee, to move the following new clause after clause 2:—
The Council may from time to time make, alter, and repeal by-laws for fixing the times during which traction-engines may be driven through the streets, or through any particular street or streets named in any by-law in that behalf.

Mr. KELLY, in Committee, to move the following new subsection after (12):—
In section 410 of the said Act all words after subsection 4 thereof shall be omitted and the following substituted:—

Where any wharf or jetty has been constructed, purchased, leased, or otherwise come into the possession of the Council, such regulations and tolls may be made to apply to any part of the foreshore within or in the boundary of the borough.

Hon. Mr. HISLOP, in Committee, to move the following amendments:—

Clause 2. To insert the following additional as the first subsection:—

(1.) In subsection three of section twenty-six the words "Councillors and Auditors" shall be omitted, and the words "and Councillors" substituted in lieu thereof.

Subsection (13) to be omitted, and the following substituted:—

(13.) Sections one hundred and seventy-three and three hundred and sixty-eight are hereby repealed.

Clause 3. Before the word "Councillors," insert the words "Mayor and."

EDUCATION.

Sir G. GREY, when the question of education is brought forward, to move,—

That the Government ought not to have advised the Governor to exceed his lawful powers by issuing a Proclamation, the object of which was to deprive a large number of children of their right to an education, which right the law of their country secured to them.

NELSON FORESHORE RESERVE BILL.

Mr. LEVESTAM to move, in Committee, the omission of the Schedule and the insertion of the following—

SCHEDULE.

ALL that portion of land, being part of the Nelson Haven Reserve, containing by admeasurement 105 acres, more or less, bounded as follows: Commencing at a point on the edge of the Haven Road, situated on a line being the prolongation of the western boundary of road lying between Sections 57 and 58; thence by a line bearing $40^{\circ} 18'$ and about 4500 links in length; thence by a line bearing $113^{\circ} 40' 20''$ for a distance of about 4600 links, terminating at a point on the north-east boundary of Section H9, Wakatu, distant 626.2 links from the easternmost corner thereof; thence by the northern and western boundaries of the said Section H9, 2173.8 links and 210 links respectively; thence by the northern end of Collingwood Street, 100 links; thence by the northern boundary of Section H6, Wakatu, 1200 links; thence by the eastern side of Trafalgar Street, 720 links; thence by the northern end of Trafalgar Street, 75 links; thence by the northern boundaries of Sections H13 and H14, Wakatu, 1000 links; thence by the northern end of Paru Paru Road, 75 links; thence by the western side of Paru Paru Road for a distance of about 3200 links; thence by the northern and western boundaries of reclaimed land, 200 links and 480.3 links respectively; thence by the western and southern boundaries of Section 148 (Native Reserve); thence by the western boundary of Paru Paru Road, 400 links; thence by the northern side of Halifax Street, about 500 links; thence by the eastern and north-western boundaries of Section 1126, 260 links and 327 links respectively; and thence by high-water line to commencing-point: the said boundaries being more particularly delineated on the plan attached, marked MD. 1339 and tinted blue, always excepting therefrom that portion of the above-described land, being an area of about $13\frac{1}{2}$ acres, shown on the said plan in cross-hatched red lines, and bounded as follows, namely, commencing at a point being the north-east corner of Section 1126; thence along the northern boundary of Section 1126 to high-water line; thence by the high-water line to the commencing-point of the boundaries of the land above described; thence along the north-western boundary of the land above described for a length of about 700 links; thence by a line bearing about 132° for a length of about 1450 links; thence by a line bearing about 167° for a length of about 1660 links, to the commencing-point.
