Order

1 Title

This order is the Chiropractors Order 2002.

2 Commencement

This order comes into force on the day after the date of its notification in the *Gazette*.

3 **Recognised qualifications**

The First Schedule of the Chiropractors Act 1982 is amended by revoking paragraph (h), and substituting the following paragraph:

“(h) a Bachelor of Chiropractic granted by the New Zealand College of Chiropractic.”

Martin Bell,
Acting for Clerk of the Executive Council.

Explanatory note

This note is not part of the order, but is intended to indicate its general effect.

This order, which comes into force on the day after its notification in the *Gazette*, amends the First Schedule of the Chiropractors Act 1982. The Schedule lists recognised qualifications that may lead to a person registering as a chiropractor. The amendment reflects the fact that the New Zealand Chiropractic Association School of Chiropractic has changed its name to the New Zealand College of Chiropractic and changed the name of the degree it grants from a Bachelor of Science in Chiropractic to a Bachelor of Chiropractic.

Issued under the authority of the Acts and Regulations Publication Act 1989.

Date of notification in *Gazette*: 17 October 2002.

This order is administered in the Ministry of Health.
