EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations amend the Dairy Produce Regulations 1938.

Regulation 2 of these regulations amends regulation 12 of the principal regulations and provides that cream shall be weighed to the nearest pound.

The port of Napier has been omitted from, and the port of Tauranga has been added to, the list of ports at which butter or cheese may lawfully be exported. A number of changes are made in the list of stores appointed for the storage, cooling, or freezing of dairy produce before export. A number of consequential revocations are made by regulation 4 of these regulations.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 17 April 1969.

These regulations are administered in the Department of Agriculture.
