Schedule
Description of Pinnacle Group Limited Quality Assurance Activity

1 Objective

The objective of the activity is to improve the practices and competence of health practitioners engaged in the activity by assessing the health services performed by those health practitioners.

2 Method

- (1) The activity is based on information derived from health practitioners who—
 - (a) provide health services at 1 or more of the general practices in the central North Island that form part of the Pinnacle Group Limited network; or
 - (b) are employed by Pinnacle Group Limited to provide health services.
- (2) The activity involves—
 - (a) the examination of patients' records; and
 - (b) the analysis of the following data on patients:
 - (i) admission and discharge; and
 - (ii) morbidity and mortality; and
 - (iii) outcomes of treatment; and
 - (c) the identification and analysis of any process or practice that results in an outcome for patients which may, but need not, be an adverse outcome; and
 - (d) the holding of peer review meetings; and
 - (e) the review of—
 - (i) patient management; and
 - (ii) treatment decisions; and
 - (iii) internal auditing of procedures; and
 - (iv) outcomes of treatment; and
 - (f) the making of recommendations on how the health practitioners who are engaging in the activity can improve their performance so as to—
 - (i) improve the quality of care they provide; and
 - (ii) reduce the incidence of adverse outcomes; and
 - (g) the facilitation and monitoring of the implementation of any such recommendations.

Dated at Wellington this 12th day of July 2004.

Hon Annette King,
Minister of Health.
