## Schedule

### Description of Tairawhiti District Health Board Quality Assurance Activity

cl 3

#### 1 Objective

The objective of the activity is to improve the practices and competence of health practitioners engaged in the activity by assessing the health services performed by those health practitioners.

#### 2 Method

- (1) The activity is based on information derived from health practitioners who provide health services on behalf of the Tairawhiti District Health Board.
- (2) The activity involves—
  - (a) the examination of patients' records; and
  - (b) the analysis of the following data on patients:
    - (i) admission and discharge; and
    - (ii) morbidity; and
    - (iii) mortality; and
    - (iv) outcomes of treatment; and
  - (c) the analysis of rates of—
    - (i) readmission; and
    - (ii) unplanned returns to theatre; and
    - (iii) infection; and
  - (d) the identification and analysis of adverse outcomes for patients; and
  - (e) the comparison of the results of the analysis of adverse outcomes with internal and external benchmarking standards; and
  - (f) the selection of case record reviews to identify adverse clinical events or adverse outcomes in the provision of health services by health practitioners; and
  - (g) the review of any adverse clinical events or adverse outcomes identified under paragraph (f); and
  - (h) the development of strategies to reduce the incidence of adverse clinical events or adverse outcomes in the provision of health services by the health practitioners who are engaging in the activity; and
  - (i) the undertaking of multi-disciplinary case reviews; and

- (j) the review and analysis, and monitoring, through peer review, of practitioners'—
  - (i) clinical knowledge and management; and
  - (ii) patient management; and
  - (iii) interpersonal relationships; and
- (k) the making of recommendations on how the health practitioners who are engaging in the activity can improve their performance so as to—
  - (i) improve the quality of care they provide; and
  - (ii) reduce the incidence of adverse clinical events and adverse outcomes; and
- (l) the facilitation and monitoring of the implementation of any such recommendations.

Dated at Wellington this 7th day of December 2004.

Hon Annette King,  
Minister of Health.
