EXPLANATORY NOTE

This note is not part of the determination, but is intended to indicate its general effect.

This determination, which is deemed to have come into force on 1 January 1999, increases the annuity payable to a person who has held the office of Prime Minister for a period or periods amounting in all to not less than 2 years and the annuity payable to the widow or widower of such a Prime Minister.

In the case of a former Prime Minister who has held office for a period or periods amounting in all to not less than 2 years, the annuity (as determined in 1998) is paid at the yearly rate of \$6,018 for each complete year of the total period for which the person held the office of Prime Minister or at the yearly rate of \$30,090, whichever is the less. Under this determination the annuity is to be paid at the yearly rate of \$6,150 for each complete year of that total period or at the yearly rate of \$30,750, whichever is the less.

In the case of the widow or widower, the annuity payable in each case is to be one-half of the annuity that would have been payable to the person who held office as Prime Minister.

This determination expires on 31 December 1999.

Issued under the authority of the Acts and Regulations Publication Act 1989.
Date of notification in *Gazette*: 4 March 1999.
