**Explanatory memorandum**

*This memorandum is not part of the determination, but is intended to indicate its general effect.*

This determination, which is deemed to have come into force on 1 January 2002, increases the annuity payable to a person who has held the office of Prime Minister for a period or period amounting in all to not less than 2 years and the annuity payable to the widow or widower of such a Prime Minister.

In the case of a former Prime Minister who has held office for a period or periods amounting in all to not less than 2 years, the annuity (as determined in 2001) is paid at the yearly rate of \$6,462 for each complete year of the total period for which the person held the office of Prime Minister or at the yearly rate of \$32,310, whichever is the less. Under this determination, the annuity is to be paid at the yearly rate of \$6,600 for each complete year of that total period or at the yearly rate of \$33,000, whichever is the less.

In the case of the widow or widower, the annuity payable in each case is to be one-half of the annuity that would have been payable to the person who held office as Prime Minister.

This determination expires on 31 December 2002.
