Clerk of the Executive Council.

EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations replace the Schedules to the principal regulations. The maximum prices for fish sold in the districts defined in the Schedules are all increased.

In addition the regulations require a wholesaler to pass on the increases in wholesale prices to the operators of fishing boats not owned or operated by the wholesaler. The Secretary of Trade and Industry may authorise a wholesaler to pay a lower price if compliance with the requirement would result in a serious anomaly.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 26 February 1976.

These regulations are administered in the Department of Trade and Industry.
