P. G. MILLEN,
Clerk of the Executive Council.

EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations increase the maximum prices for fish sold in the districts defined in the Schedules to the Price Freeze Regulations 1974. For the purpose of effecting the increase new Schedules to the principal regulations are substituted. Some minor changes have been made in the categories of fish to which the regulations apply. The districts within which the principal regulations apply remain the same apart from changes required because of local authority amalgamations or changes in the boundaries of districts of local authorities.

Regulation 3A of the principal regulations (which provided for the passing on to operators of fishing vessels of the increase in wholesale prices effected by Amendment No. 4) is revoked as spent.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 3 May 1977.

These regulations are administered in the Department of Trade and Industry.
