PART IV—ELECTION OF COUNCIL

13. Interpretation—In this Part of these regulations, unless the context otherwise requires, the term “qualified elector” means—

14. Nomination of candidates—(1) Nomination of candidates for each general election of members of the Council shall close in the month of November in the year in which the election is to be held, on a day to be fixed by the Council.

(2) Nomination of candidates for every election held to fill an extraordinary vacancy shall close on a date to be fixed by the Council so that notice of the result of the election may be given in accordance with regulation 22 of these regulations within 3 months from the date on which the vacancy arises.

(3) Nomination of a candidate shall be made in Form No. 1 in the Second Schedule to these regulations, signed by the candidate as evidence of his consent to nomination and by 2 qualified electors, and shall be sent or delivered to the Registrar so as to be received by him on or before the date fixed for the closing of nominations.

(b) The last day fixed for receiving voting papers should a poll be required;

(c) The place where nominations and voting papers shall be received.

No election required if number nominated does not exceed number of vacancies—If the number of candidates validly nominated in respect of any district or of either island does not exceed the number of vacancies to be filled, the candidates nominated shall, by notice in writing given to the Council by the Registrar, be declared to be duly elected.

(3) The Registrar shall post to each qualified elector a voting paper, together with an unsealed envelope addressed to the Registrar and a brief biographical summary of each candidate.

19. Voting—(1) Every qualified elector shall be entitled to as many votes as there are vacancies to be filled.

(2) The elector shall strike out the name of each candidate for whom he does not wish to vote. After completing his paper, he shall seal it in the accompanying envelope, endorse his full name and signature on the envelope, and return the envelope containing the paper to the Registrar so as to reach him not later than the date specified in the voting paper.

21. Counting of votes—(1) As soon as practicable after the closing of the poll the Registrar shall open the envelopes and count the number of votes that are, in his opinion, valid. He may employ such persons to assist him as he thinks fit, but shall personally determine all questions relating to the validity of votes.

(2) Where any candidates receive the same number of votes and the addition of 1 vote to that number would entitle any of them to be declared elected, the Registrar shall, by lot and in the presence of the scrutineers (if any), determine which of those candidates is or are to be declared elected.

22. Result of election—(1) As soon as the result of the election has been determined the Registrar shall give written notice to the Council of the names of the successful candidates.

(2) The Registrar shall also give notice in the *Gazette*, and such other medium as the Council may direct, of the result of the election, and, where a poll has been held, the number of votes recorded for each candidate.

23. Registrar to retain, then destroy voting papers—The Registrar shall retain under seal all voting papers received by him for a period of 6 months from the date on which he gives notice of the result of the election to the Council, and shall then destroy them.

24. Date on which person elected enters office—Every person duly elected to be a member of the Council shall come into office on the date when notice of the result of the election is given to the Council, or on the date when his predecessor in that office ceases to be a member, whichever is the later.

25. Registrar sole judge of propriety of election—The Registrar shall be the sole judge of all matters pertaining to the regularity and propriety of an election, and, except in the case of fraud or misconduct by the Registrar, no election shall be called in question on the ground that any of the requirements of this Part of these regulations has not been complied with unless, in the opinion of the Registrar, any irregularity that occurred may have materially affected the result of the election and is attributable to the act or default of any person acting otherwise than in good faith.

38. Relationship between examination and practical training—(1) The period of practical training shall not commence until after the date on which the applicant first completes one of the examinations prescribed by regulation 32 of these regulations. The date on which the applicant first completes one of those examinations shall be referred to in this regulation as the graduation date.

(2) Where any document is to be served by the Board on any person it shall be sufficient if the document is sent by registered letter to that person at his last known postal address, and shall be deemed to be served on that person at the time when it would be delivered or available for delivery to that address in the ordinary course of the post.

45. Hearing and determination of appeals—(1) The barrister shall fix a convenient time and place for the hearing of the appeal, being not more than 21 days after he receives the warrant constituting the Board, and shall cause at least 7 days' written notice of such time and place to be given to each assessor, the appellant, and the Council respectively.

(2) At the hearing the Board may receive such evidence as it thinks fit (whether on oath or otherwise), and may act on any statement, document, information, or matter which in the opinion of the Board may assist it to deal with the matter before it, whether the same would be admissible as evidence in a Court of law or not.

(3) The barrister shall preside at the hearing, and in matters not expressly provided for in the Act or these regulations the procedure to be adopted by the Board shall be determined by him.

(4) At the hearing the appellant may appear in person and may be represented by any person as his advocate. The Council may be represented by any person (whether a member of the Council or not) appointed for the purpose by the Council.

46. Member of Board may be replaced—(1) If any member of the Board dies, or if the Minister is satisfied that by reason of any incapacity the member is unable to attend, or that he is unwilling to attend, the hearing or any part of the hearing of the appeal, the Minister may revoke so much of the warrant constituting the Board as relates to the appointment of that member, and by a further warrant in writing under his hand appoint another person to replace that member:

Provided that nothing in this subclause shall prevent the hearing of the appeal from being adjourned from time to time or place to place so as to facilitate the attendance of any member of the Board.

(2) If the member to be replaced is the barrister, his replacement shall also be a barrister. In every other case the replacement shall be a pharmacist.

(3) If the person to be replaced is one of the assessors his replacement shall represent the party whom the assessor represented, but that party's consent to the appointment of the replacement shall not be required.

(4) If a replacement is appointed after the hearing of an appeal has commenced, the appeal may, at the discretion of the presiding member, proceed from the point at which it was adjourned before the appointment, or may be reheard in whole or in part.

EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations consolidate, with a small number of amendments, the Pharmacy Regulations 1944 and the Pharmacy Board Election Regulations 1962, together with their respective amendments.

Part I is introductory.

Part II contains financial provisions. The only new provision is regulation 4 (2), which allows the Society to invest its funds in trustee securities.

Part III broadly embodies the existing provisions relating to the proceedings and powers of the Council. However, regulation 12 is new: it provides for the Society to indemnify its officers against losses and expenses incurred in the performance of their duties.

Part IV repeats with minor amendments the present provisions of the Pharmacy Board Election Regulations 1962.

The effect of Part V is to raise the annual practising fee from \$15 to \$30.

Part VI broadly repeats the existing provisions relating to the registration of pharmacists.

Part VII relates to examinations. Regulation 35 has been drafted in the light of the changes brought about by the Treaty of Rome. Pharmacists qualified in any member country are entitled to registration with the Pharmaceutical Society of Great Britain. Were it not for this regulation, such status would be recognised in New Zealand. This regulation grants recognition only to those persons registered pursuant to a qualifying examination.

Part VIII, relating to practical training, and Part IX, relating to appeals, repeat the corresponding present provisions.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 20 November 1975.

These regulations are administered in the Department of Health.
