EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on 1 January 1990, amend the Pharmacy Regulations 1975.

Regulation 2 inserts a new regulation 3A in the principal regulations. The new regulation states that the fees prescribed by the principal regulations are inclusive of goods and services tax.

Regulation 3 increases the ordinary and concessionary fees payable for practising certificates, except the concessionary fee for pharmacists who have attained the age of 70 years. That remains at \$11.25 (inclusive of goods and services tax).

Regulation 4 alters the fees prescribed by the First Schedule to the principal regulations (which relates to certain administration fees relating to the registration of pharmacists) so that they are now stated as including goods and services tax. There is no actual increase in those fees.

Regulation 5 is of a consequential nature only.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 7 December 1989.

These regulations are administered in the Department of Health.
