

THE QUARRIES REGULATIONS 1983, AMENDMENT NO. 1

DAVID BEATTIE, Governor-General

ORDER IN COUNCIL

At the Government House at Wellington this 15th day of October 1984

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

PURSUANT to the Quarries and Tunnels Act 1982, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following regulations.

REGULATIONS

- 1. Title and commencement—(1) These regulations may be cited as the Quarries Regulations 1983, Amendment No. 1, and shall be read together with and deemed part of the Quarries Regulations 1983* (hereinafter referred to as the principal regulations).
- (2) These regulations shall come into force on the 14th day after the date of their notification in the *Gazette*.
- **2. Self-propelled vehicles**—Regulation 22 of the principal regulations is hereby amended by revoking subclause (3), and substituting the following subclause:
- "(3) A person shall not drive or otherwise be in charge of any vehicle in or about a quarry unless—
 - "(a) He is the holder of a current motor driver's licence issued under Part III of the Transport Act 1962 applicable to the vehicle; or

"(b) He has demonstrated to the manager or to some competent person appointed in writing by the manager, by a thorough practical test, his ability to drive or to have charge of the vehicle and he has the manager's written authority to drive or be in charge of the vehicle."

P. G. MILLEN, Clerk of the Executive Council.

EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations amend the provision relating to the driving of self-propelled vehicles in or about quarries to provide that the written authority of the quarry manager is not required if the driver holds a current appropriate driver's licence.

Issued under the authority of the Regulations Act 1936. Date of notification in *Gazette:* 18 October 1984. These regulations are administered in the Ministry of Energy.
