Notice

- 1 Title**
This notice is the Sports Fish Licences, Fees, and Forms Notice 2005.
- 2 Commencement**
This notice comes into force on 1 October 2005.
- 3 Interpretation**
In this notice, unless the context otherwise requires,—
24-hour licence means a licence that entitles the holder to fish for sports fish during any 24-hour period specified in the licence in—
(a) the region for which the licence is issued; and

(b) all other regions (excluding the Taupo District)

adult means a person aged 18 years or over on 1 October 2005

backcountry licence means a licence that entitles the holder to fish for sports fish in either or both of—

- (a) the Greenstone backcountry fishery in the period beginning on 1 November 2005 and ending on 31 May 2006;
- (b) the Upper Oreti backcountry fishery in the period beginning on 1 October 2005 and ending on 30 April 2006

child means a person aged under 10 years on 1 October 2005

controlled period means the period beginning on 14 January 2006 and ending on 13 March 2006

controlled-period licence means a licence that entitles the holder, and also entitles 1 other companion angler named on that licence who holds a backcountry licence, to fish for sports fish during the period and on the reach specified in the licence in the Greenstone River (and its tributary streams) between the river's source and its confluence with the Sly Burn Stream

family means—

- (a) 1 person, or 1 person and that person's spouse or civil union partner or de facto partner; and
- (b) the dependants of that person or those persons who—
 - (i) ordinarily or periodically reside with that person or those persons; and
 - (ii) are aged under 18 years on 1 October 2005; and
- (c) the grandchildren of that person or those persons who are aged under 18 years on 1 October 2005

family licence means a licence that entitles the holder and, if accompanied by the holder, any member of the holder's family to fish for sports fish in the period beginning on 1 October 2005 and ending on 30 September 2006 in—

- (a) the region for which the licence is issued; and
- (b) all other regions (excluding the Taupo District)

Greenstone backcountry fishery means the Greenstone River catchment, namely,—

- (a) the Greenstone River upstream of the swing bridge at the river's mouth where the river enters Lake Wakatipu; and

- (b) all tributary streams flowing into the Greenstone River;
and
- (c) the Caples River

junior means a person aged 10 years or over, but under 18 years, on 1 October 2005

licence means any class of licence to fish for sports fish

Upper Oreti backcountry fishery means the Oreti River catchment, upstream of Rocky Point at map reference NZMS 260 E44 373 947

whole-season licence means a licence that entitles the holder to fish for sports fish in the period beginning on 1 October 2005 and ending on 30 September 2006 in—

- (a) the region for which the licence is issued; and
- (b) all other regions (excluding the Taupo District)

winter licence means a licence that entitles the holder to fish for sports fish in the period beginning on 1 April 2006 and ending on 30 September 2006 in—

- (a) the region for which the licence is issued; and
- (b) all other regions (excluding the Taupo District).

Eligibility for sports fish licences and fees

4 Fish and game councils may issue licences

- (1) A fish and game council may issue 1 or more of the following classes of licence:
 - (a) 24-hour licence:
 - (b) family licence:
 - (c) whole-season licence:
 - (d) winter licence.
- (2) Subclause (1) is subject to clauses 9 and 10.

5 24-hour licence

If a fish and game council issues 24-hour licences, an adult or a junior may obtain a 24-hour licence from that council on payment of the appropriate fee specified in Part 1 of the Schedule.

6 Family licence

If a fish and game council issues family licences, an adult may obtain a family licence from that council on payment of the appropriate fee specified in Part 2 of the Schedule.

7 Whole-season licence

If a fish and game council issues whole-season licences,—

- (a) an adult or a junior may obtain a whole-season licence from that council on payment of the appropriate fee specified in Part 3 of the Schedule;
- (b) a child may obtain a whole-season licence from that council without payment.

8 Winter licence

If a fish and game council issues winter licences, an adult or a junior may obtain a winter licence from that council on payment of the appropriate fee specified in Part 4 of the Schedule.

9 Whole-season or family licence may be endorsed as backcountry licence

- (1) The holder of an adult or junior whole-season licence, or the holder of a family licence, may apply to either the Otago Fish and Game Council or the Southland Fish and Game Council to have his or her licence endorsed as a backcountry licence.
- (2) The holder of a backcountry licence must, when requested by either of those fish and game councils, provide to the requesting council information on the holder's and companion angler's use of either the Greenstone backcountry fishery or the Upper Oreti backcountry fishery, or both (as the case may be).
- (3) As indicated in Part 5 of the Schedule, no fee is payable for a backcountry licence.

10 Holder of backcountry licence may apply for controlled-period licence

- (1) The holder of a backcountry licence may apply to the Otago Fish and Game Council to be issued with a controlled-period licence.
- (2) A maximum of 87 licences will be issued according to the order in which applications were received. The only applications that qualify are those received no more than 5 days

- before the beginning of the licence period (as specified on the licence).
- (3) Licences issued under subclause (2) entitle the holder to fish within the controlled period for the 2-day period specified in the licence.
 - (4) As indicated in Part 6 of the Schedule, no fee is payable for a controlled-period licence.

11 Fees inclusive of GST

The fees set out in the Schedule are inclusive of goods and services tax.

Forms

12 Forms of licences

- (1) Every licence must be in writing and must specify—
 - (a) the holder's full name, postal address, telephone number (if any), and date of birth;
 - (b) the effect of the licence;
 - (c) the time and date of issue;
 - (d) the period during which the licence is valid;
 - (e) whether the holder is an adult, a child, or a junior.
- (2) A family licence must specify, in addition to the matters referred to in subclause (1), the full names of the holder's family.
- (3) An adult whole-season licence must specify, in addition to the matters referred to in subclause (1), whether the holder wishes to be an elector for the fish and game council.

Revocation

Explanatory note

This note is not part of the notice, but is intended to indicate its general effect.

This notice, which comes into force on 1 October 2005,—

- fixes the forms and classes of licences to fish for sports fish:
- enables the holder of a whole-season licence or a family licence to have his or her licence endorsed as a backcountry licence, which entitles the holder to fish for sports fish in the

Greenstone backcountry fishery or the Upper Oreti backcountry fishery, or both of them:

- enables the holder of a backcountry licence to apply for a controlled-period licence, which entitles the holder to fish for sports fish in the Greenstone River:
- fixes the scope and effect of those classes of licence:
- provides for the licences issued in respect of any region to be available in all other regions (except the Taupo District):
- fixes the fees payable for licences to fish for sports fish. These fees have been set to recover the anticipated costs of management of the freshwater sports fish resource by Fish and Game New Zealand for the 2005–06 season.

Issued under the authority of the Acts and Regulations Publication Act 1989.
Date of notification in *Gazette*: 25 August 2005.
This notice is administered in the Department of Conservation.
