

1959/65

THE STOCK REMEDIES REGULATIONS 1947,  
AMENDMENT NO. 3

COBHAM, Governor-General

ORDER IN COUNCIL

At the Government Buildings at Wellington this 13th day of April 1959

Present:

THE RIGHT HON. W. NASH PRESIDING IN COUNCIL

PURSUANT to the Stock Remedies Act 1934, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following regulations.

REGULATIONS

1. (1) These regulations may be cited as the Stock Remedies Regulations 1947, Amendment No. 3, and shall be read together with and deemed part of the Stock Remedies Regulations 1947\* (hereinafter referred to as the principal regulations).

(2) These regulations shall come into force on the day after the date of their notification in the *Gazette*.

2. Regulation 10 of the principal regulations is hereby amended by revoking subclause (3), and substituting the following subclause:

“(3) Every iodised stock lick shall contain not less than 5 nor more than 6 oz of potassium or sodium iodate per ton.”

3. The principal regulations are hereby amended by revoking regulation 12, and substituting the following regulation:

“12. (1) No worm drench shall contain any drug other than phenothiazine, bluestone, nicotine sulphate, carbon tetrachloride, tetrachloroethylene, oil of chenopodium, carbon disulphide, arecoline hydrobromide or any derivative thereof, sodium arsenite, kamala, hexachloroethane, piperazine and hexylresorcinol.

“(2) Every worm drench shall be so compounded as to contain adequate and safe amounts of the active ingredients of the drench.

\*S.R. 1947/138

Amendment No. 1: S.R. 1948/86

Amendment No. 2: S.R. 1953/42

“(3) Where phenothiazine is contained in any worm drench, the phenothiazine shall be—

“(a) Fine grade phenothiazine, being phenothiazine of which not less than 75 per cent by weight shall be less than 10 microns and of which not less than 50 per cent by weight shall be less than 5 microns; or

“(b) Standard grade phenothiazine, being phenothiazine of which not less than 50 per cent by weight shall be less than 10 microns and of which not less than 20 per cent by weight shall be less than 5 microns.”

4. Regulation 17 of the principal regulations is hereby amended by omitting the words “magnesium sulphate”, and substituting the words “soluble magnesium”.

5. Regulation 20 of the principal regulations is hereby amended by omitting the words “Every such application shall be accompanied by the appropriate fee as hereinafter prescribed”.

6. The principal regulations are hereby amended by revoking regulation 23, as amended by regulation 5 of the Stock Remedies Regulations 1947, Amendment No. 1, and substituting the following regulation:

“23. (1) The fee payable by a proprietor on application for the registration or re-registration of any stock remedy shall be £2.

“(2) The fee payable by a proprietor on an application for approval of any label or advertisement relating to any stock remedy made at any time after registration of the stock remedy and during the same period of registration shall be 10s.

“(3) The fee payable under section 13 (4) of the said Act by the proprietor or the vendor for a copy of the analyst's certificate where no discrepancy materially to the prejudice of a purchaser is found in any sample of a stock remedy taken and analysed under the said Act shall be £2.

“(4) The fee payable under section 14 (2) of the said Act on an application for the taking and analysing of any sample of any stock remedy in the possession of the applicant shall be £10.

“(5) Where pursuant to the provisions of this regulation a fee is made payable on application, the application shall not be entertained until the fee is paid.”

7. The Schedule to the principal regulations, as amended by regulation 4 of the Stock Remedies Regulations 1947, Amendment No. 2, is hereby further amended by revoking forms Nos. 2 and 3, and substituting the forms set out in the Schedule hereto.

8. Regulation 5 of the Stock Remedies Regulations 1947, Amendment No. 1, and regulation 4 of the Stock Remedies Regulations 1947, Amendment No. 2, are hereby consequentially revoked.

---

## SCHEDULE

## NEW FORMS

(Form No. 2, Reg. 7 (1) )

## APPLICATION FOR REGISTRATION OF A STOCK REMEDY

The Registrar,  
Stock Remedies Registration Board,  
Care of Department of Agriculture,  
P.O. Box 2298, Wellington C. 1.

PURSUANT to section 6 of the Stock Remedies Act 1934, application is hereby made for the registration of the under-mentioned stock remedy, the particulars of which are set out below:

- (1) Name of stock remedy: .....
- (2) Description or representation of every trade mark to be used in respect of the stock remedy, and registered number, if registered: .....
- (3) Situation of premises where stock remedy is manufactured or stored for sale: .....
- (4) Method of preparation of stock remedy (*if a vaccine, serum, or other biological product*): .....
- (5) Preventive or remedial properties claimed: .....
- (6) Date beyond which stock remedy will be ineffective (where applicable): .....
- (7) Enclosed with this application are the following documents:
  - (a) Specimen copy (in duplicate) of the label to be used in respect of the stock remedy:
  - (b) Specimen copy (in duplicate) of the advertisement (if any) to be published in respect of the stock remedy.
- (8) Composition of stock remedy:
 

Names of ingredients: .....

Form of ingredients: .....

Proportions present: \* .....
- (9) The prescribed fee for registration is also enclosed, viz.: .....

Dated at ..... this ..... day of ..... 19....

.....  
(Signature of applicant)

N.B.—The prescribed fee may be lodged to the credit of the Public Account at any branch of the Bank of New Zealand, and the first portion of the lodgment slip should accompany the application for registration.

If payment of the prescribed fee is made by cheque, exchange must be added where necessary.

\*Minimum proportion to be stated (to be expressed as a percentage by weight in the case of a solid stock remedy or as a number of grams per 100 c.c. in the case of a liquid stock remedy), except where the ingredient is a poison within the meaning of the Poisons Act 1934, when the maximum as well as the minimum proportion must be stated. A semi-fluid stock remedy is deemed to be a solid only if recommended for use by weight. It is unnecessary to state the proportion of ingredients which are shown under the heading "Adjuvants," "Emulsifiers," or "Inert Ingredients," and for which no specific efficacy is claimed.

SCHEDULE—*continued*

(Form No. 3, Reg. 7 (3) )

*The Stock Remedies Regulations 1947*

## STATUTORY DECLARATION

I, ..... of ..... being \*..... of the stock remedy (or stock remedies) set out in the application(s) for registration dated the ..... day of ..... 19....., attached or appended hereto, solemnly and sincerely declare that:

- † 1. I have been duly authorised to make the said application(s) and this declaration in support thereof on behalf of the said firm (or company).
2. The signature to the said application(s) is in the proper handwriting of me, this declarant.
3. To the best of my knowledge, information, and belief, the particulars relating to the stock remedy (or stock remedies) set out in the said application(s) are true and correct in all respects.

And I make this solemn declaration conscientiously believing the same to be true and by virtue of the Oaths and Declarations Act 1957.

Declared at ..... this ..... day of ..... 19.....

Justice of the Peace  
(or Person authorised to  
take statutory declarations.)

\*Where declaration is made by the sole proprietor, insert the words "the proprietor". Where declaration is made by any person on behalf of a firm or company, insert the words "Managing Director or Manager or Secretary or (as the case may be) of the (name of firm or company), the proprietors".

†Where the declaration is made by the sole proprietor, this paragraph should be deleted.

T. J. SHERRARD,  
Clerk of the Executive Council.

## EXPLANATORY NOTE

*This note is not part of the regulations, but is intended to indicate their general effect.*

These regulations amend the Stock Remedies Regulations 1947. Alterations are made in the standards of worm drenches and remedies for stock licks and grass staggers; a new scale of fees is prescribed for the purposes of the principal regulations; and new forms are prescribed for applications for registration of stock remedies and declarations in support thereof.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 16 April 1959.

These regulations are administered in the Department of Agriculture.

(Notice No. Ag. 6720.)
