Important information for investors

1 Information at front of investment statement

- (1) A statement in the following form (to be set out at the front of the investment statement)*:

“Important Information

“(The information in this section is required under the Securities Act 1978)

“Investment decisions are very important. They often have long-term consequences. Read all documents carefully. Ask questions. Seek advice before committing yourself.

“Choosing an investment

“When deciding whether to invest, consider carefully the answers to the following questions that can be found on the pages noted below:

Page

What sort of investment is this?

Who is involved in providing it for me?

How much do I pay?

What are the charges?

What returns will I get?

What are my risks?

Can the investment be altered?

How do I cash in my investment?

Who do I contact with enquiries about my investment?

Is there anyone to whom I can complain if I have problems with the investment?

What other information can I obtain about this investment?

“In addition to the information in this document, important information can be found in the current registered prospectus for the investment. You are entitled to a copy of that prospectus on request.

“Choosing an investment adviser

“You have the right to request from any investment adviser a written disclosure statement stating his or her experience and qualifications to give advice. That document will tell you—

- “•• “Whether the adviser gives advice only about particular types of investments; and
- “•• “Whether the advice is limited to the investments offered by 1 or more particular financial organisations; and
- “•• “Whether the adviser will receive a commission or other benefit from advising you.

“You are strongly encouraged to request that statement. An investment adviser commits an offence if he or she does not provide you with a written disclosure statement within 5 working days of your request. You must make the request at the time the advice is given or within 1 month of receiving the advice.

“In addition—

- “•• “If an investment adviser has any conviction for dishonesty or has been adjudged bankrupt, he or she must tell you this in writing; and
- “•• “If an investment adviser receives any money or assets on your behalf, he or she must tell you in writing the methods employed for this purpose.

“Tell the adviser what the purpose of your investment is. This is important because different investments are suitable for different purposes.”
