OTAGO AND SOUTHLAND INDUSTRIAL DISTRICT.

(1.) DUNEDIN FURNITURE TRADE.

THIS agreement, made in pursuance of "The Industrial Conciliation and Arbitration Act, 1894," this 23rd day of December, 1896, between the Dunedin United Furniture Trade Industrial Union of Workers and the employers whose signatures appear at the foot hereof, and shall remain in force for a period of one year.

1. That the minimum wage be 8s. per day. All the prices in exhibits A and B are agreed to for piecework. Any reductions for machinery to be settled between employers and emloyés; any dispute on this point to be settled by an equal number from each side.

2. All overtime to be paid time and a quarter, and piecework 3d. per hour above stated prices.

3. That all cabinetmakers employed on chair- or frame-work be paid the same as cabinetmakers. Special lines not mentioned in log to be settled by a conference of three delegates nominated by the union, and three chosen from the employers. *Employment of Apprentices.*—No arrangement in existence at the date of this agreement shall be interfered with, excepting that the yearly increase of wages shall apply to present apprentices. All apprentices shall serve for a term of five years; the rate of wages to be 5s. per week first year, and a rise of 5s. per week at the commencement of each subsequent year. The proportion of apprentices to be one apprentice to every three men or part of three. For the purpose of determining the proportion of boys to journeymen a given number of men must have been employed in any shop or factory for the previous six months equal to two-thirds full time. Only two classes of labour shall be recognised—viz., apprentices and journeymen.

Signed on behalf of the union-
