All repairs to be paid at the rate of 6d. per hour.

All extras and work not mentioned to be paid at the rate of 6d. per hour.

All boxes not mentioned to be reckoned as belonging to the class they most resemble.

CONDITIONS OF LABOUR.

1. The hours of work shall not be more than forty-five per week.
2. The proportion of learners to operatives to be not more than one learner to each three operatives, or fraction thereof.
3. Learners' wages to be 5s. per week for the first six months, and 7s. 6d. per week for the second six months of the first year, and, if desired by employer, piecework after the first year.
4. All workers at the trade who have served twelve months as learners shall be paid not less than £1 per week or put on piecework.
5. Teachers, if at piecework, to be paid 10s. per month for each learner in addition to her labour.
6. Members of the Christchurch Box-makers' Union to be employed in preference to non-members, provided that there are members of the union equally qualified with non-members to perform the particular work required to be done, and ready and willing to undertake it.
7. Clothwork, sample-cases, &c., unclassified or special work, to be paid for at the rate of 6d. per hour.
8. All machine-work to be paid for at the rate of 6d. per hour.
9. Overtime: All pieceworkers to be paid 2d. per hour in addition to log rates; weekly hands to be paid 8d. per hour.

[NOTE.—After the Board had visited the various factories, the members were of opinion that females should be employed in working the metalling and stamping machine.]

If this recommendation is not objected to on or before the 8th day of February, 1904, it shall come into force, and remain in force until the 8th day of February, 1906.

J. R. TRIGGS, Chairman.

The Clerk of Awards, Christchurch.
