Under-rate Workers.

17. (a.) Any worker who considers himself incapable of earning the minimum wage fixed by this agreement may be paid such lower wage as may from time to time be fixed, on the application of the worker after due notice to the union, by the local Inspector of

Awards; and such Inspector in so fixing such wage shall have regard to the worker's capability, his past earnings, and such other circumstances as such Inspector shall think fit to consider after hearing such evidence and argument as the union and such worker shall offer.

(b.) Such permit shall be for such period, not exceeding six months, as such Inspector shall determine, and after the expiration of such period shall continue in force until fourteen days' notice shall have been given to such worker by the secretary of the union requiring him to have his wages again fixed in manner prescribed by this clause: Provided that in the case of any person whose wage is so fixed by reason of old age or permanent disability it may be fixed for such longer period as such Inspector shall think fit.

(d.) It shall be the duty of the union to give notice to the Inspector of Awards of every agreement made with a worker pursuant thereto.

(e.) It shall be the duty of an employer, before employing a worker at such lower wage, to examine the permit or agreement by which such wage is fixed.

(b.) The provisions of the foregoing clause shall operate only if and so long as the rules of the union shall permit any worker coming within the scope of this agreement of good character and sober habits to become a member of the union upon payment of an entrance fee not exceeding 5s., upon a written application, without ballot or other election, and to continue a member upon payment of subsequent contributions not exceeding 9d. per week.

(c.) The employers at intervals of not less than one month shall on demand supply to the secretary of the union a list of the names and addresses of workers coming within the scope of this agreement taken into the employer's service during the previous month, and still employed.

Accommodation.

19. (a.) The companies shall provide and maintain at their works, to the satisfaction of the Inspector of Factories, sanitary arrangements, and also accommodation to enable workers to take their meals and change their clothing, and also provide lockers for the safe keeping of the workers' clothing.
