Apprentices.

5. The following provisions shall apply to apprentices:—

(a) The proportion of apprentices shall be not more than two to every journeywoman employed.

(b) An apprentice shall serve for the full period under competent supervision, and shall be taught the branch of the trade to which she is apprenticed. The term "branch of the trade" in this agreement shall be held to mean all work done by hand on coats, mackintoshes, vests, trousers, or ladies' apparel respectively. In machining, "branch of the trade" shall be held to mean coat-machining, vest-machining, trousers-machining, denim or mole machining, ladies' apparel machining, button-hole or other special machining.

(c) It shall be obligatory on the part of the employer to pay the wages stipulated in this agreement, and to teach the apprentice the branch of the trade to which she is apprenticed. Any apprentice who has served a period at a branch of a kindred trade in the same employ (such as shirtmaking) shall have such time counted as part of the apprenticeship as though it had been served at the branch of the trade to which she is apprenticed.

(e) When the full time of apprenticeship is served the employer shall give the apprentice a certificate of the time served.

(f) Should an employer dismiss an apprentice for good cause he shall nevertheless give her a certificate for the time served.

(i) Six months' probation shall be allowed the first employer of any apprentice to determine her fitness, such six months to be included in the period of apprenticeship.

(j) Absence on account of illness amounting on the whole to more than one month in the year shall be made up by the apprentice before the following year shall be deemed to commence.

(k) No deduction shall be made from the wages of an apprentice, except for time lost through sickness or the default of the apprentice.

Definitions.

6. (a) A "journeywoman" is one who has served her time as an apprentice and as an improver at any branch of the trade.

(b) An "under-rate worker" is one who, having served her apprenticeship and improvership, has her wages fixed in accordance with the clause hereinafter dealing with such cases.

Journeywomen's Wages.

7. The minimum wage for journeywomen shall be £2 5s. per week.

Overtime.

8. (a) Any time worked beyond the ordinary hours in any one day in any one factory shall be deemed to be overtime, and shall be paid for at the rate of time and a half for the first three hours and double time thereafter. Twenty-four hours' notice shall be given by the employer to any worker called upon to work overtime. When less than twenty-four hours' notice has been given 1s. 6d. shall be paid for tea-money.

(b) Double rates shall be paid for any work done on Saturday afternoon, Sunday, or on any of the following holidays: New Year's Day, Good Friday, Easter Monday, Anzac Day, Labour Day, birthday of the reigning Sovereign, Christmas Day, and the annual picnic-day, if observed as such.

(c) This clause is subject to the provisions of the Factories Act, 1921-22.

PROVISIONS RELATING TO MALE MACHINISTS.

Minimum Wages.

9. The minimum wage for male machinists employed in any department of the clothing trade covered by this agreement shall be £4 7s. 6d. per week (2s. per hour), and the provisions of clause 13 hereof shall apply to such machinists.

PROVISIONS RELATING TO CUTTERS.

Minimum Wages.

10. The minimum wage for a second-class chart cutter shall be £4 12s. 6d. per week (2s. 1½d. per hour); for a stock cutter and trimmer, £4 7s. 6d. per week (2s. per hour); for examiner in charge of finishing-room, £4 7s. 6d. per week (2s. per hour).

Definitions.

11. (a) A "second-class chart cutter" is one who cuts to measure from block patterns supplied by the employer.

(b) A "stock-clothing cutter" is one who understands the laying-up, chalking-in, and cutting by shears, knife, or machine of all classes of clothing. When a stock-clothing cutter in the discharge of his duties is partially employed in cutting shirts he shall be paid in terms of this agreement.

(c) An "examiner" is one who is responsible in the finishing-room for the folding and sending-out of all classes of clothing.

Cutters' Requisites.

12. All cutters' requisites shall be provided by the employer.

Overtime and Holidays.

13. (a) Any time worked beyond the ordinary hours in any one day in any one factory shall be deemed to be overtime, and shall be paid for at the rate of time and a half for the first three hours and double time thereafter. Twenty-four hours' notice shall be given by the employer to any worker called upon to work overtime. When less than twenty-four hours' notice has been given 1s. 6d. shall be paid for tea-money.

(b) Double rates shall be paid for any work done on Saturday afternoon, Sunday, or on any of the following holidays: New Year's Day, Good Friday, Easter Monday, Anzac Day, Labour Day, Sovereign's Birthday, Christmas Day, and also the day of the annual picnic, if observed.

Piecework.

14. Piecework shall not be allowed.

PROVISIONS RELATING TO PRESSERS AND OILERS.

Minimum Wages.

15. (a) Pressers shall be paid, at the option of the employer, either a minimum wage of £4 7s. 6d. per week (2s. per hour) or the piecework rates specified in the subjoined log. Clothing-oilers shall be paid the minimum time wage prescribed for pressers.

(b) No female shall be employed on seam-opening by hand or at underpressing for more than four hours in any one day. This clause shall not affect workers at present employed in the industry, nor shall it prevent whole-time employment of females on seam-opening machines. Females substantially employed on seam-opening machines shall be paid not less than the minimum wage prescribed for journey-women.

(c) No woman or girl shall be called upon to do pressing-off of coats, vests, trousers, mantles, and heavy garments.

(d) There shall be only one system of working and paying pressers in force in any factory at one time.

(e) Casual workers shall be paid at the rate of not less than 2s. 4d. per hour. A "casual worker" is one who is employed for less than three days continuously.

Overtime.

16. Clause 13 hereof shall apply to pressers and clothing-oilers, with the addition that pieceworkers shall be paid rate and a half for overtime.

GENERAL PROVISIONS RELATING TO ALL CLASSES OF WORKERS.

Payment of and Deductions from Wages.

17. (a) All wages shall be paid weekly not later than Friday, within fifteen minutes of the usual time for ceasing work. Employers shall not keep more than one day's wages in hand at any pay-day.

(b) Subject to the provisions of the Factories Act, 1921-22, any time lost through the sickness or default of a worker, or by reason of any breakdown or accident to the machinery used by the employer, or shortage of work necessitating temporary suspension of any section of the factory, shall be deducted from his or her wages, provided that any such time exceeds one continuous hour. In other cases where notice has not been given the previous day, and any worker presents himself or herself for employment in the morning, such worker shall be entitled to a half-day's pay. If any worker has so presented himself or herself in the morning and is required to attend in the afternoon and no work is available, such worker shall be entitled to a further half-day's pay.

(c) No wages shall be paid for time lost through the factory being closed for the annual factory holidays or public holidays, or for stock-taking or cleaning the premises; but this clause is subject to the provisions of the Factories Act, 1921-22, with regard to the payment of wages for certain holidays.

(d) When slackness of work or the exigencies of trade render it necessary to work short time, the employer shall distribute the work as evenly among all classes of workers as circumstances will permit, and in such cases workers shall be paid only for the time actually worked, subject to subclause (b) hereof.

Machinery and Subdivision of Work.

18. The employer shall have the right to introduce whatever machinery his business may in his opinion require, and to divide and subdivide labour in any way he may deem necessary, subject to the other provisions of this agreement or any order under the Apprentices Act, 1923, and its amendments.

Control of Factory.

19. Every employer shall be entitled to the fullest control over the management of his factory, and to make such regulations as he deems necessary for time-keeping and good order.

Termination of Engagement.

20. Twenty-four hours' notice of the termination of the employment of any worker shall be given by the employer to the worker, or by the worker to the employer, as the case may be.

Chart Orders.

21. Factory orders may be tried on, before or after completion, within any factory that manufactures in the wholesale way for any *bona fide* town or country agent.

Bonus System.

22. In all cases where a bonus is paid to workers it shall be the duty of the employer to state to the workers concerned the basis on which the bonus is calculated, so that each worker may know the amount he or she is entitled to receive, and be able to check the calculation thereof.

Matters not provided for.

23. Any dispute in connection with any matter not provided for in this agreement shall be settled between the particular employer concerned and the secretary or president of the union, and in default of any agreement being arrived at, then such dispute shall be referred to the Conciliation Commissioner, who may either decide the same or refer the matter to the Court. Either party, if dissatisfied with the decision of the Commissioner, may appeal to the Court upon giving written notice of such appeal to the other party within seven days after such decision shall have been communicated to the party desiring to appeal.

Under-rate Workers.

24. (a) Any worker who considers himself or herself incapable of earning the minimum wage fixed by this agreement may be paid such lower wage as may from time to time be fixed, on the application of the worker after due notice to the union, by the local Inspector of Awards, or such other person as the Court may from time to time appoint for that purpose; and such Inspector or other person in so fixing such wage shall have regard to the worker's capability, his or her past earnings, and such other circumstances as such Inspector or other person shall think fit to consider after hearing such evidence and argument as the union and such worker shall offer.

(b) Such permit shall be for such period, not exceeding six months, as such Inspector or other person shall determine, and after the expiration of such period shall continue in force until fourteen days' notice shall have been given to such worker by the secretary of the union requiring him or her to have his or her wage again fixed in manner prescribed by this clause: Provided that in the case of any person whose wage is so fixed by reason of old age or permanent disability it may be fixed for such longer period as such Inspector or other person shall think fit.

(c) Notwithstanding the foregoing, it shall be competent for a worker to agree in writing with the president or secretary of the union upon such wage without having the same so fixed.

(d) It shall be the duty of the union to give notice to the Inspector of Awards of every agreement made with a worker pursuant hereto.

(e) It shall be the duty of an employer, before employing a worker at such lower wage, to examine the permit or agreement by which such wage is fixed.

Preference.

25. (a) If any employer shall hereafter engage any worker coming within the scope of this agreement who shall not be a member of the union, and who shall not become a member thereof within fourteen days after his or her engagement and remain such member, the employer shall dismiss such worker from his service if requested to do so by the union, provided there is then a member of the union equally qualified to perform the particular work required to be done, and ready and willing to undertake the same.

(b) The provisions of this clause shall operate only if and so long as the rules of the union shall permit any worker coming within the scope of this agreement of good character and sober habits to become a member of the union, upon payment of an entrance fee not exceeding 5s., upon a written or verbal application, without ballot or other election, and to continue a member upon payment of subsequent contributions not exceeding 9d. per week, and such fines as may be lawfully imposed on him or her for non-attendance without reasonable excuse at a specially called meeting of the union, of which written notice has been given to him or her or sent to him or her by post at his or her last address as notified by him or her to the union, or for misconduct at a meeting of the union, or for being more than three months in arrear, without reasonable excuse, in his or her contributions to the union: Provided that the maximum fine shall not exceed 2s. 6d. for non-attendance at a meeting of the union or for being in arrear with his or her contributions, and £1 for misconduct at a meeting of the union.

(c) An employer, on request by the union, at intervals of not less than three months, shall furnish to the union a list of all new employees engaged during the preceding three months.

(d) The secretary or organizing secretary of the union shall be permitted to interview employees at their place of employment on any one day in each month at a suitable time to be arranged between the employer and the secretary of the union.

(e) The term "union" shall mean either of the unions party hereto.

The general order dated 29th May, 1931, reducing wages by 10 per cent. shall apply to all wages and payments required under this agreement, with the exception of those of the female apprentices and improvers.

Term of Agreement.

This agreement shall come into force on the 15th day of December, 1932, and shall continue in force for a period of two years.
