 MEMORANDUM.

The matters settled by the Court related to the rate of extra payment for shift-work, classification and wages of adult male workers, wages and scales for females and youths, and definition of assistant rope-maker. In other respects the award embodies the recommendations arrived at by the assessors in Conciliation Council.

Mr. Prime disagrees with the rates awarded to junior workers, in that he considers they involve substantial increases on rates which have on several occasions in the last few years been fixed either by the Court or by agreement of the parties.
