## DISSENTING OPINION OF MR. MONTEITH

I am not in agreement with the decision of the majority of the Court not to increase the shift-work rate. It should, in my opinion, have been increased to at least 2s. 6d. per shift. A great number of awards have been made with a rate of 2s. 6d. and 3s. a shift, by agreement of the parties. I set out a list of such awards in my dissent on the Woollen-mills Employees' award, and every week it is being added to.
