IN pursuance and exercise of the powers vested in it by the Economic Stabilization Emergency Regulations 1942, and for the purpose of correcting an error in the order made on the 29th day of October, 1945, amending the Northern Industrial District Bricklayers and Plasterers' apprenticeship order, dated the 19th day of December, 1924, and recorded in 25 Book of Awards 1489, this Court doth hereby order as follows:—

MEMORANDUM

When an application to amend the Northern Industrial District Bricklayers and Plasterers' apprenticeship order was heard in Auckland the Court was informed that the employers and workers in the plastering section of the industry covered by the order had agreed that the amendment should operate from the 1st April, 1945, but that there was no such agreement in the case of the bricklaying section. In making the amending order the Court overlooked the intimation given to it of the partial agreement, and has now made the above correction to give effect to the wishes of the parties.
