(e) Wash-basins and showers shall be provided on steam-vessels for the use of crews.

(f) When ordinary roster duty sheets are altered the union shall be consulted.

(g) When a worker is called on to work on one of his rostered days off and such engagement is cancelled by the employer less than four hours before the commencement of the shift, he shall be paid a minimum of two hours at ordinary time rates.

Matters Not Provided For

15. Any dispute in connection with any matter not provided for in this award shall be settled between the employer concerned and the secretary or president of the union, and in default of any agreement being arrived at, then such dispute shall be referred to the Conciliation Commissioner, who may either decide the same or refer the matter to the Court. Either party, if dissatisfied with the decision of the Commissioner, may appeal to the Court upon giving written notice of such appeal to the other party within seven days after such decision shall have been communicated to the party desiring to appeal.

Workers to be Members of Union

16. (a) Subject to the provisions of subsection (5) of section 18 of the Industrial Conciliation and Arbitration Amendment Act, 1936, it shall not be lawful for any employer bound by this award to employ or to continue to employ in any position or employment subject to this award any adult person who is not for the time being a member of an industrial union of workers bound by this award.

(b) For the purposes of subclause (a) of this clause a person of the age of eighteen years or upwards, and every other person who for the time being is in receipt of not less than the minimum rate of wages prescribed by this award for workers of the age of twenty-one years and upwards, shall be deemed to be an adult.

(c) Every person who, being obliged to become a member of any union by the operation of the foregoing provisions, fails to become a member of that union when requested so to do by his employer or any officer or representative of the union commits a breach of this award, and shall be liable accordingly.

(NOTE.—Attention is drawn to subsection (4) of section 18 of the Industrial Conciliation and Arbitration Amendment Act, 1936, which gives to workers the right to join the union.)

Under-rate Workers

17. (a) Any worker who considers himself incapable of earning the minimum wage fixed by this award may be paid such lower wage as may from time to time be fixed, on the application of the worker after due notice to the union, by the local Inspector of Awards or such other person as the Court may from time to time appoint for that purpose; and such Inspector or other person in so fixing such wage shall have regard to the worker's capability, his past earnings, and such other

circumstances as such Inspector or other person shall think fit to consider after hearing such evidence and argument as the union and such worker shall offer.

(b) Such permit shall be for such period, not exceeding six months, as such Inspector or other person shall determine, and after the expiration of such period shall continue in force until fourteen days' notice shall have been given to such worker by the secretary of the union requiring him to have his wage again fixed in manner prescribed by this clause: Provided that in the case of any person whose wage is so fixed by reason of old age or permanent disability it may be fixed for such longer period as such Inspector or other person shall think fit.

(c) Notwithstanding the foregoing, it shall be competent for a worker to agree in writing with the president or secretary of the union upon such wage without having the same so fixed.

(d) It shall be the duty of the union to give notice to the Inspector of Awards of every agreement made with a worker pursuant hereto.

(e) It shall be the duty of an employer, before employing a worker at such lower wages, to examine the permit or agreement by which such wage is fixed.
