MEMORANDUM

By order of this Court dated 10th August 1951 an amendment was made to the New Zealand Carpentry and Joinery apprenticeship order whereby a branch, "joinery machining", was included within the trade skills embraced in that order but the Court added a proviso to clause 4 as follows:—“(e) Before a local Apprenticeship Committee consents to a contract of apprenticeship in the joinery-machining branch of the industry, it shall obtain the approval of the Court thereto”. The Court mentioned the reasons for that course in the memorandum following the amendment.

This Court has now made an apprenticeship order in the Timber Industry and argument has been heard from the interested parties on the proposal that the above clause 4 (e) of the New Zealand Carpentry and Joinery apprenticeship order be revoked.

After giving consideration to the submissions made the conclusion reached by the Court is that it is fitting and proper to do so and the clause is accordingly revoked.

Dated this 26th day of July 1956.
