(c) Every person who, being obliged to become a member of any union by the operation of the foregoing provisions, fails to become a member of that union when requested so to do by his employer or any officer or representative of the union, commits a breach of this award, and shall be liable accordingly.

(NOTE—Attention is drawn to section 174 (3) of the Industrial Conciliation and Arbitration Act 1954 which gives to workers the right to join the union.)

*Under-rate Workers*

22. (a) Any worker who considers himself incapable of earning the minimum wage fixed by this award may be paid such lower wage as may from time to time be fixed, on the application of the worker after due notice to the union, by the local Inspector of Awards or such other person as the Court may from time to time appoint for that purpose; and such inspector or other person in so fixing such wage shall have regard to the worker's capability, his past earnings, and such other circumstances as such inspector or other person shall think fit to consider after hearing such evidence and argument as the union and such worker shall offer.

(b) Such permit shall be for such period, not exceeding six months, as such inspector or other person shall determine, and after the expiration of such period shall continue in force until 14 days' notice shall have been given to such worker by the secretary of the union requiring him to have his wage again fixed in manner prescribed by this clause: Provided that in the case of any person whose wage is so fixed by reason of old age or permanent disability it may be fixed for such longer period as such inspector or other person shall think fit.

(c) Notwithstanding the foregoing, it shall be competent for a worker to agree in writing with the president or secretary of the union upon such wage without having the same so fixed.

(d) It shall be the duty of the union to give notice to the Inspector of Awards of every agreement made with a worker pursuant hereto.

(e) It shall be the duty of an employer, before employing a worker at such lower wage, to examine the permit or agreement by which such wage is fixed.

*Workers Other Than Adults*

23. If and so long as the rules of the union permit any worker employed in any position or employment subject to this award who is under the age of 18 years to become a member of the union without ballot or other election, and upon payment of not more than half the payments provided by the rules of the union for adult workers, such worker shall become a member of the union, and if such worker neglects to become a member of the union within two weeks from the date of employment the employer shall if requested so to do by the union, dismiss such worker, provided there is then a member of the union equally qualified and of similar status and ready and willing to perform the particular work required to be done.

*Right of Entry, etc.*

24. (a) The secretary or other authorised officer of the union of workers shall, with the consent of the employer (which consent shall not be unreasonably withheld), be entitled to enter at all reasonable times upon the premises or works and there interview any workers, but not so as to interfere unreasonably with the employer's business.

(b) The employer, at intervals of not less than four months, shall, if requested, supply to the secretary of the union a list of names and addresses of the workers coming within the scope of this award who have been taken into the employer's service since the last list was furnished and who are still employed.

*Scope and Application of Award*

25. (a) This award shall operate throughout the Taranaki, Wellington, Marlborough, and Nelson Industrial Districts, and shall apply to the parties named herein and to such other employers as may from time to time be added as parties by order of the Court.

(b) This order shall apply to workers employed in the gas manufacturing and distributing industry by employers parties hereto, but shall not apply to any such worker who is employed substantially at work covered by any other existing award or industrial agreement and who is bound by such award or industrial agreement.

*Term of Award*

26. This award, in so far as the provisions relating to the rates of wages to be paid are concerned, shall be deemed to have come into force on the first day of the pay period in each establishment commencing on or after the 13th day of June 1960, and so far as all other provisions of the award are concerned, it shall come into force on the day of the date hereof; and this award shall continue in force until the 31st day of March 1962.

In witness whereof the seal of the Court of Arbitration hath hereto been affixed, and the Judge of the Court hath hereunto set his hand, this 25th day of July 1960.
