A worker while required to work on roof trusses or fixing purlins where a false step or a mishap would entail an unbroken fall of 15 ft or more, shall be paid an allowance of 4 $\frac{1}{2}$ d. per hour.

Hours of Work

3. (a) Except as otherwise specified herein, 40 hours shall constitute a week's work, and the working hours shall be between the hours of 8 a.m. and 5 p.m. on the first five days of the week, Monday to Friday inclusive.

(b) In the council yard and waterworks the daily hours shall be worked between 7.30 a.m. and 4.30 p.m. on five days of the week, Monday to Friday inclusive.

(c) Service electricians may work 160 hours in any four weekly period, alternatively 200 hours may be worked in five weekly period according to the number of men employed on this work. Should these workers be called upon to work beyond the hours of the respective shift, they shall be paid for such time at the rate of time and a half for the first two hours and double thereafter. Work on Saturdays, Sundays and statutory holidays shall be paid for at penal rates as specified in the Factories Act.

(d) Waterworks department electrician: an electrician of the waterworks department shall be paid £1 per week extra for making himself available as required for duty connected with the city's water supply on all Saturdays, Sundays and public holidays. On such days he shall contact the shift engineer in charge at the waterworks main pumping station at 9 a.m. and if not required shall be free for the day, provided that he shall keep the shift engineer informed of his whereabouts so that he can be readily obtained in the case of an emergency.

(e) For the period of the year from 15 May to 15 September the hours of work for linemen shall be 8 a.m. to 4.30 p.m. with 30 minutes for lunch: Provided that, where practicable, these hours may be extended to operate throughout the year by arrangement between the council and the particular lines gangs.

(f) The representations of the employees concerned shall be taken into account, as far as is practicable, in the arrangement of duty rosters for service electricians.

Overtime

4. (a) All time worked in excess of or outside of the hours mentioned in clause 3 hereof shall be paid for at the rate of time and a half for the first two hours and double time thereafter. Double time shall be paid for all time worked between the hours of 9 p.m. and 6 a.m. All overtime shall be calculated on a daily basis.

(b) A minimum of two hours shall be paid for all overtime which is not continuous with the ordinary working hours, time to be computed from time of leaving place of residence until return.

(c) Meal money at the rate of 4s. 6d. per meal shall be paid to all workers called upon to work overtime after 6 p.m. provided such workers cannot reasonably get home to their meal and return in the time allowed. If the overtime is continuous, this allowance shall be paid for every period of four hours of overtime, except that overtime work previously arranged on Saturday shall not entitle the worker to meal money unless it is continuous over more than four hours.

(d) Supper time and crib time when working overtime shall be paid for.

(e) Any such worker having worked all night and day and being required to continue working on into the next night shall be paid double time for all such time worked.

(f) Where, by virtue of the compulsory eight hour break, he loses ordinary time on the second day such time shall be paid for at ordinary rates, with a maximum of four hours' pay without work.

(g) No worker shall be required to work overtime on Friday nights or on the night of the union's regular meeting, except in the following circumstances:

1. Occasions of breakdown.
2. In emergencies.
3. When it is necessary to maintain a satisfactory service and supply to the consumers.

Holidays—General

5. (a) Twelve working days' annual leave on full pay shall be granted to all workers covered by this award on completion of 12 months' service, and should any worker's services be dispensed with, he shall receive proportionate holiday allowance, if and when his employment is terminated. After 10 years' service, 15 working days' annual leave shall be granted. Holidays to be taken by mutual agreement with the departmental head, holiday payment to be computed on the average complete weekly earnings for the preceding year.

(b) The following shall be the recognised holidays, and no deductions from wages shall be made in respect of them: New Year's Day, 2 January, Good Friday, Easter Saturday, Easter Monday, the birthday of the reigning Sovereign, Labour Day, Show Day, Christmas Day, Boxing Day, Anzac Day.

(c) If any of the abovementioned holidays, except Easter Saturday and Anzac Day, fall on a Saturday or a Sunday then for the purposes of this award such holiday shall be observed on the following Monday or Tuesday.

(d) For all time worked after noon on Saturdays, on Sundays and on recognised holidays as provided herein or authorised from time to time, double rates shall be paid.

Holidays—Regular Shift Workers

6. Regular shift workers, viz. service electricians, shall receive the following holidays and no deductions from wages shall be made in respect of them: New Year's Day, 2 January, Good Friday, Easter Saturday, Easter Monday, the birthday of the reigning Sovereign, Labour Day, Show Day, Christmas Day, Boxing Day, Anzac Day, as can be conveniently arranged without detriment or interruption to the work for which they are engaged. For work done by service electricians on such holidays, penal rates as specified in the Factories Act, shall be paid. In the event of service electricians' normal day off falling on a statutory holiday one other day be given in lieu thereof.

Suburban Work

7. (a) Suburban work means work performed by a worker at a distance of over a mile and a half from the employer's place of business or some central place to be agreed upon.

(b) Workers shall be at the place where work is to be performed at the hour appointed for commencement of work. If such place is distant more than $1\frac{1}{2}$ miles from the employer's office or place of business or the central place agreed upon, workers employed thereon shall be allowed and paid for the time reasonably occupied by them in travelling to and from work beyond the radius of $1\frac{1}{2}$ miles, or they shall be conveyed to and from such work at the cost of the employer. No worker residing less than $1\frac{1}{2}$ miles by a convenient mode of access for foot-passengers from the place where the work is to be performed shall be entitled to the allowance mentioned in this clause. Time allowed for travelling under this clause shall be estimated at the rate of one hour for each 3 miles so travelled.

General Provisions

8. (a) The council shall provide those employees whose work requires them such tools as soldering-bolts, metal-pots, conduit fittings, files, blow-lamps, rasps, hacksaw blades and frames, drills and keyhole saw blades, mitre-box and carpenters' saws. Consumers' servicemen and meter-installers shall be provided with torches, head torches and batteries. Lines faultmen shall be provided with head torches.

(b) Workers under this award shall be responsible for all tools and materials supplied to them and shall make good any loss, fair wear and tear and accidents which could not have been avoided with the exercise of reasonable care excepted. In assessing the value of any tools lost, the council shall take into account reasonable depreciation. Where necessary the council will supply facilities for locking up tools and materials.

(c) A mechanic required to provide his own tools (except drills, taps, hacksaw blades and files) shall supply such tools and shall be paid 5s. per week for any week in which he works three full days or more. An electrician required to provide his own tools (except those mentioned in clause 8 (a) above) shall supply such tools and shall be paid 4s. per week for any week in which he works three full days or more.

(d) All workers who are required to work outside in wet weather and who provide themselves with gum boots, oilskins and sou'westers, or other approved protection from wet weather, shall receive for this purpose an allowance as follows:

	Per Annum
	£
Linemen and assistant linemen	10
Other employees	8

(e) All workers using their bicycles in the employer's business and with his consent shall be paid a cycle allowance as follows:

Meter-testers, meter-installers, service electricians, trouble-men in the wiring department, £8 per annum payable quarterly.

All other workers 3s. per week.

The department foreman, or in the case of linemen, the charge-hand, shall certify the use of the bicycle.

(f) Any worker subject to this award shall devote the whole of his working time to the best interest of the council.

(g) During the period of his employment the worker shall not use any of the tools or materials belonging to the council for work other than that assigned to him.

(h) A crib-time of 10 minutes shall be allowed during each morning and afternoon and one every four hours whilst on overtime, without deduction of wages, provided that during shut-downs when the consumers' supply has been disconnected the break shall be allowed following resumption of normal service.

(i) Workers employed at welding shall be paid 3s. 6d. per day extra.

(j) Workers employed on tar plants shall be paid 3s. 6d. per day extra.

(k) The council shall supply overalls to workers under this award as follows: Meter-testers, and meter-installers: Smocks – two and replaced as required. Electricians, substation fitters, mechanics, cable-jointers, linemen, linemen's assistants, mechanics' assistants, cable-jointers' assistants, waterworks department fitters: Overalls – two suits and replaced as required. All overalls so supplied shall remain the property of the council. Lost gloves and overalls may be purchased through the stores at cost.

Lines Department

9. (a) No lineman shall be required to work with live wires unless accompanied by another lineman or assistant lineman, except in cases of emergency.

(b) It shall during wet weather be the duty of the charge-hand of each gang, subject to the control of the Mains Superintendent, to determine when circumstances warrant the men taking shelter.

(c) Linemen and their assistants shall be provided with rubber gloves for working with wire and approved safety belts and all necessary tools, including one knife and one pair of pliers as required, such equipment to remain the property of the council. The employee who receives such tools shall sign for them and be held responsible for their safety. In the event of tools being lost or damaged, they shall be replaced by the employee responsible for their safety, provided that there is adequate evidence that the cause was undue carelessness as provided in clause 8 (b).

(d) Any assistant cable-jointer who has had four years' satisfactory experience on cable work with the city council shall be graded as a cable-jointer and be paid the appropriate rate where a vacancy exists for a cable-jointer. Where cable-jointers' assistants are promoted to cable-jointers they shall retain such status.

First Aid Equipment

10. (a) A modern first-aid emergency case, fully equipped, shall be kept in a convenient and accessible place in every workshop, also facilities for a supply of hot water at short notice.

(b) A suitable ambulance first-aid outfit shall be available for any worker to take when employed on outside work, and a similar outfit shall be supplied to each vehicle in the lines department and tool-box in the underground department, wiring and waterworks departments.

Dirt Money

11. Dirt money at the rate of 2s. 6d. per day or portion of a day shall be paid for all work done by any worker covered by the provisions of this award in foundries, tunnels or repairing damage done by fire where the worker comes into contact with charred materials, or in freezing chambers while freezing is being carried on, or storage-battery work involving the handling of acid or burning off copper, or when employed on the normal cleaning of used transformers or other work such as dirty installation work or demolition work which may be agreed upon as between the employer and the union as coming under the term "dirty work".

Access to Workshops

12. A representative of the union may, with the consent of the employer, interview any worker on matters coming within the scope of this award.

Workers to be Members of Union

13. (a) Subject to the provisions of sections 174 (5) and 175 of the Industrial Conciliation and Arbitration Amendment Act 1954, it shall not be lawful for any employer, bound by this award, to employ or to continue to employ in any position or employment subject to this award any adult person who is not for the time being a member of an industrial union of workers bound by this award.

(b) For the purposes of sub-clause (a) of this clause a person of the age of 18 years or upwards, and every other person who for the time being is in receipt of not less than the minimum rate of wages prescribed by this award for workers of the age of 21 years and upwards, shall be deemed to be an adult.

(c) Every person who, being obliged to become a member of any union by the operation of the foregoing provisions, fails to become a member of that union when requested to do so by his employer or any officer or representative of the union, commits a breach of this award, and shall be liable accordingly.

(NOTE—Attention is drawn to subsection (3) of section 174 of the Industrial Conciliation and Arbitration Amendment Act 1954, which gives the workers the right to join the union.)

Scope of Agreement

14. This agreement shall apply to the parties named herein.

Term of Agreement

15. This agreement insofar as it relates to wages and special payments shall be deemed to have come into force on the 24th day of March 1961, and so far as all the other conditions of this agreement are concerned it shall come into force on the 30th day of August 1961; and the agreement shall continue in force until the 23rd day of March 1963.

In witness whereof the parties have executed these presents.
