MEMORANDUM

The only matters referred to the Court were a workers' claim relating to the conditions under which piecework, etc., schemes could be operated by an employer and an employers' counter proposal concerning the right to require workers to work in any part of the undertaking as directed. The Court has decided not to include any provisions relating to these matters, and the award therefore embodies the terms of the memorandum of partial settlement arrived at in Conciliation Council.

The Court has been requested to include the following statement in its memorandum:

"The assessors desire it to be recorded that the increase in wage rates agreed to in this award is in accord with the increase in wage rates awarded by the Court of Arbitration in the Wellington, Marlborough, Nelson, Westland, and Canterbury Concrete and Pumice Goods Workers' Award, dated the 11th day of August 1961."
