MEMORANDUM

The award, including the operative date of provisions relating to wages, incorporates the terms of settlement arrived at by the parties in the course of an inquiry held before a Council of Conciliation.

Upon being satisfied by supporting documentary evidence that an unqualified preference provision has been agreed to by all the assessors in accordance with section 174B of the Industrial Conciliation and Arbitration Act 1954 (as enacted by the Industrial Conciliation and Arbitration Amendment Act 1961), the Court has inserted clause 11 in the award in the form in which it was agreed upon in the Council of Conciliation.

The rates of remuneration prescribed by this award are *not* to be increased by the application of the provisions of the Court's general order of 4 July 1962.
