shall have regard to the worker's capability, his past earnings, and such other circumstances as such inspector or other person shall think fit to consider after hearing such evidence and argument as the union and such worker shall offer.

#### MEMORANDUM

The award, including the operative date of provisions relating to wages, incorporates the terms of settlement arrived at by the parties in the course of an inquiry held before a Council of Conciliation.

Upon being satisfied by supporting documentary evidence that an unqualified preference provision has been agreed to by all the assessors in accordance with section 174B of the Industrial Conciliation and Arbitration Act 1954 (as enacted by the Industrial Conciliation and Arbitration Amendment Act 1961), the Court has inserted clause 15 in the award in the form in which it was agreed upon in the Council of Conciliation.
