Such amount shall be paid to the secretary within 21 days.

Termination of Employment

10. One week's notice of the termination of the services of any worker shall be given by the employer to the worker or by the worker to the employer. Fractions of miles travelled shall be calculated to the next half-mile, and where such travel exceeds a half-mile it shall be calculated as for a complete mile.

The customary method of travel adopted by the worker shall be deemed the method authorised by the employer.

(b) Where men are moved from one job to another by the employer requiring them temporarily to live away from home, the employer shall provide board and lodging or, where such is not available, he shall provide camping accommodation and pay to each worker an allowance to cover his board and his actual travelling expenses.

27. In the event of any workman committing a breach of the Mining Act or of any of the general or special rules or regulations thereunder, or refusing or neglecting to carry out the lawful instructions of the management, such workman shall be liable to instant dismissal.

Effective Operation of Award

28. Every employer bound by this award shall permit the secretary or other authorised agent of the union to enter at all reasonable times (to be mutually arranged between the employer and the union) upon the premises or works and there interview any workers, but not so as to interfere unreasonably with the employer's business. Unqualified Preference

29. (a) Any adult person engaged or employed in any position or employment subject to this award by any employer bound by this award shall, if he is not already a member of a union of workers bound by this award, become a member of such union within 14 days after his engagement, or after this clause comes into force, as the case may require.

(d) Every employer bound by this award commits a breach of this award if he continues to employ any worker to whom subclauses (a) and (b) apply, after having been notified by any officer or authorised representative of the union that the worker has been requested to become a member of the union and has failed to do so, or that the worker having become a member of the union has failed to remain a member.

(e) For the purposes of this clause "adult person" means a person of the age of 18 years or upwards, or a person who for the time being is in receipt of not less than the minimum rate of wages prescribed for adult workers by this award.

Under-rate Workers

30. (a) Any worker who considers himself incapable of earning the minimum wage fixed by this award may be paid such lower wage as may from time to time be fixed, on application of the worker after due notice to the union, by the local Inspector of Awards or such other person as the Court may from time to time appoint for that purpose; and such inspector or other person in so fixing such

wage shall have regard to the worker's capability, his past earnings, and such other circumstances as such inspector or other person shall think fit to consider after hearing such evidence and argument as the union and such worker shall offer.

(b) Such permit shall be for such period, not exceeding six months, as such inspector or other person shall determine, and after the expiration of such period shall continue in force until 14 days' notice shall have been given to such worker by the secretary of the union requiring him to have his wage again fixed in manner prescribed by this clause: Provided that in the case of any person whose wage is so fixed by reason of old age or permanent disability it may be fixed for such longer period as such inspector or other person shall think fit.

(c) Notwithstanding the foregoing, it shall be competent for a worker to agree in writing with the president or secretary of the union upon such wage without having the same so fixed.

(d) It shall be the duty of the union to give notice to the Inspector of Awards of every agreement made with a worker pursuant hereto.

(e) It shall be the duty of an employer, before employing a worker at such lower wage, to examine the permit or agreement by which such wage is fixed.

Application of Award

31. This award shall apply to the original parties named herein, and shall extend to and bind as subsequent party hereto every industrial union, industrial association, or employer who, not being an original party hereto, is, when this award comes into force or at any time whilst this award is in force, connected with or engaged in the industry to which this award applies within the industrial districts to which this award relates.

Scope of Award

32. This award shall operate throughout the Westland Industrial District.

Term of Award

In witness whereof the seal of the Court of Arbitration hath hereto been affixed, and the Judge of the Court hath hereunto set his hand, this 15th day of March 1965.

MEMORANDUM

The award, including the operative date of provisions relating to wages, incorporates the terms of settlement arrived at by the parties in the course of an inquiry held before a Council of Conciliation.

Upon being satisfied by supporting documentary evidence that an unqualified preference provision has been agreed to by all the assessors in accordance with section 174B of the Industrial Conciliation and Arbitration Act 1954 (as enacted by the Industrial Conciliation and Arbitration Amendment Act 1961), the Court has inserted clause 29 in the award in the form in which it was agreed upon in the Council of Conciliation.

A. P. BLAIR, Judge.
