Any worker required to work in a confined space shall be paid 4½d. per hour extra while so employed in addition to the appropriate rate payable for the time worked. This extra rate shall not be payable if the worker is already entitled to receive payment under subclause (b) of this clause.

(a) Any adult person engaged or employed in any position or employment subject to this award by any employer bound by this award shall, if he is not already a member of a union of workers bound by this award, become a member of such union within 14 days after his engagement, or after this clause comes into force, as the case may require.

(e) For the purposes of this clause "adult person" means a person of the age of 18 years or upwards, or a person who for the time being is in receipt of not less than the minimum rate of wages prescribed for adult workers by this award.

(NOTE—Attention is drawn to section 174H of the Industrial Conciliation and Arbitration Act 1954 which gives to workers the right to join the union.)

Under-rate Workers

12. (a) Any worker who considers himself incapable of earning the minimum wage fixed by this award may be paid such lower wage as may from time to time be fixed, on the application of the worker after due notice to the union, by the local Inspector of Awards or such other person as the Court may from time to time appoint for that purpose; and such inspector or other person in so fixing such wage shall have regard to the worker's capability, his past earnings, and such other circumstances as such inspector or other person shall think fit to consider after hearing such evidence and argument as the union and such worker shall offer.

(b) Such permit shall be for such period, not exceeding six months, as such inspector or other person shall determine, and after the expiration of such period shall continue in force until 14 days' notice shall have been given to such worker by the secretary of the union requiring him to have his wage again fixed in manner prescribed by this clause: Provided that in the case of any person whose wage is so fixed by reason of old age or permanent disability it may be fixed for such longer period as such inspector or other person shall think fit.

(d) It shall be the duty of the union to give notice to the Inspector of Awards of every agreement made with a worker pursuant hereto.

(e) It shall be the duty of an employer, before employing a worker at such lower wage, to examine the permit or agreement by which such wage is fixed.

Disputes

13. The essence of this award being that the work of the employers shall not on any account whatsoever be impeded but shall always proceed as if no dispute had arisen, it is provided that if any dispute or difference shall arise between the parties bound by this award, or any of them, as to any matter whatsoever arising out of or connected therewith and not specifically dealt with in this award, every such dispute or difference shall be referred to a committee to be composed of two representatives of each side, together with an independent chairman to be mutually agreed upon or, in default of agreement, to be appointed by the Conciliation Commissioner for the district. If the committee is unable to decide the question then the chairman shall give a decision or refer the matter to the Court.

Either side shall have the right to appeal to the Court against a decision of any such committee or chairman, upon giving to the other side written notice of such appeal within 14 days after such decision has been made known to the party desirous of appealing.

Right of Entry Upon Premises

14. The secretary or other authorised officer of the union of workers shall, with the consent of the employer (which consent shall not be unreasonably withheld), be entitled to enter at all reasonable times upon the premises or works and there interview any workers, but not so as to interfere unreasonably with the employer's business.

Riggers (Where Applicable Under Clause 1) and Other Workers Employed by Cookes (N.Z.) Wire Rope Co. Ltd.

15. The provisions of subclauses (b), (c), (g), and (h) of clause 10 of this award shall not apply to riggers. The following provisions shall apply to such riggers and other workers employed by Cookes (N.Z.) Wire Rope Co. Ltd.

traffic and cease work before the time of starting of such traffic shall be conveyed to or from his home at the expense of the employer. For the purposes of this award "public wheeled traffic" shall mean trams, buses, trains, or ferries ordinarily used by the workers travelling to and from their work.

(l) If a worker is required by his employer to work at a place outside of the employer's factory, workshop, or ordinary place of employment and is thereby put to expense of travelling to and from his work greater than that which he incurs when working in the factory, workshop, or ordinary place of employment, the employer shall reimburse him such extra expenses, and pay at ordinary rates for the extra time spent in travelling.

(m) (i) Outside work means work performed by a worker which necessitates his lodging elsewhere than at his usual place of residence.

(ii) The employer shall convey the worker free of charge or pay his fare to and from outside work, with an allowance at current rates for all meals, but once only during the continuance of the work. If, however, the worker is withdrawn from such work by the employer, or if he returns therefrom requiring medical attention in consequence of accident or sickness arising out of, and in the course of the employment, and is in either case again required on the work, the employer shall again convey him or pay his fare to and from such work.

(iii) The employer shall provide every worker employed on outside work with suitable board and lodging while so employed and shall recoup him for reasonable out-of-pocket expenses.

(iv) Time occupied in travelling shall be paid for at the ordinary rates, but not to a greater amount than eight hours in a day. Payments under this paragraph shall be made in addition to any payment to which a worker is entitled for actually working on any day.

(v) Men employed on outside work by their employers shall be in all cases paid in accordance with the rates herein prescribed.

(vi) When the work is situated less than 50 miles from the employer's place of business the worker shall be refunded his return fare (by the usual means of conveyance) if such is incurred to and from the place of engagement once every two weeks during the continuance of the work. When the work is situated over 50 miles from the employer's place of business a refund shall be made once in each two months.
