MEMORANDUM

In the grounds on which the application to the Court was based, the parties concerned have indicated that it has been agreed to continue to align the wage rates of the workers involved with the rates paid in the State services and any adjustment to clauses 2 (a) (i) and 3 (a) will be dependent upon any determination issued by the State Services Commission as a result of the ruling rates survey required to be made pursuant to section 42 (2) of the State Services Act 1962.
