

NEW ZEALAND BUILDING CADETS—AMENDMENT OF
PRINCIPAL DETERMINATION UNDER THE TECHNICIANS
TRAINING ACT 1967.

This determination made in pursuance of the Technicians Training Act 1967 this 17th day of March 1971 amends the Principal Determination on Conditions of Employment of Building Cadets made on Eleventh day of February 1969 and as amended on Twenty-fifth day of June 1970 in the manner following, that is to say:

1. By deleting subclauses 13.1.1 and 13.1.2 and substituting therefore the following subclauses:

“13.1.1. Class A building cadets who are full-time students as defined in Clause A 13 of the Principal Training Scheme

					Wages per Week
					\$
1st year	23.00
2nd year	28.00
3rd year	42.50
4th year	52.00
5th year	57.00

13.1.2. Class B building cadets who are part-time students as defined in Class A 13 of the Principal Training Scheme

					Wages per Week
					\$
1st year	30.50
2nd year	38.00
3rd year	42.50
4th year	52.00
5th year	57.00

Under the Principal Training Scheme a ‘Class A building cadet’ is a building cadet who during the first and second year of his contract attends a Technical Institute full-time during normal school hours and who is otherwise employed by his employer during normal school holidays, and who during the third and fourth years of his contract is employed full-time by the employer, subject to release for a minimum of six hours per week during normal working hours to attend Technical Classes and/or complete assignments provided by a Technical Correspondence Institute course. During the fifth year of his contract the Building Cadet will be employed full-time by the employer; while a ‘Class B building cadet’ is a building cadet who during the term of his contract is employed full-time by the employer, subject to release for a minimum of six hours per week during normal working hours to attend Technical Classes and/or complete assignments provided by a Technical Correspondence Institute course.”

2. By deleting the figures and symbols \$50.00 appearing in the last sentence of subclause 13.2.3 and substituting therefore the figures and symbols \$60.00.

3. This determination shall be deemed to come into force on 14 December 1970.

For and on behalf of the Building Industry Technicians Training Council.

E. G. DAVEY, Chairman.

NEW ZEALAND BUILDING CADETS—AMENDMENT OF PRINCIPAL DETERMINATION—UNDER THE TECHNICIANS TRAINING ACT 1967

This determination made in pursuance of the Technicians Training Act 1967 this 16th day of September 1971 amends the Principal Determination on Conditions of Employment of Building Cadets made on Eleventh day of February 1969, and last amended on Seventeenth day of March 1971, in the manner following, that is to say:

1. By deleting subclauses 13.1.1 and 13.1.2 and substituting therefore the following subclauses:

“13.1.1. Class A building cadets who are full-time students as defined in Clause A 13 of the Principal Training Scheme

						Wages per Week
						\$
1st year	25.67
2nd year	31.71
3rd year	45.30
4th year	54.36
5th year	60.40

13.1.2. Class B building cadets who are part-time students as defined in Clause A 13 of the Principal Training Scheme.

						Wages per Week
						\$
1st year	34.73
2nd year	40.77
3rd year	45.30
4th year	54.36
5th year	60.40

Under the Principal Training Scheme a ‘Class A building cadet’ is a building cadet who during the first and second year of his contract attends a Technical Institute full-time during normal school hours and who is otherwise employed by his employer during normal school holidays, and who during the third and fourth years of his contract is employed full-time by the employer, subject to release for a minimum of six hours per week during normal working hours to attend Technical Classes and/or complete assignments provided by a Technical Correspondence Institute course. During the fifth year of his contract the Building Cadet will be employed full-time by the employer; while a ‘Class B building cadet’ is a building cadet who during the term of his contract is employed full-time by the employer, subject to release for a minimum of six hours per week during normal working hours to attend Technical Classes and/or complete assignments provided by a Technical Correspondence Institute course.”

2. By deleting the figures and symbols \$60.00 appearing in the last sentence of subclause 13.2.3 and substituting therefore the figures and symbols \$64.63.

3. This determination shall be deemed to come into force on 19 July 1971.

For and on behalf of the Building Industry Technicians Training Council

E. G. Davey, Chairman
