Dated 16/12/74

In the Industrial Court of New Zealand—In the matter of the Apprentices Act 1948; and in the matter of the New Zealand Coach and Motor-Body Building Industry Apprenticeship Order, dated the 31st day of July 1969, and recorded in 69 book of Awards 1541.

Whereas by section 13 (2) of the Apprentices Act 1948, the Industrial Court is empowered to amend any apprenticeship order: And whereas application has been made to the Court by the New Zealand Coachbuilding Apprenticeship Committee for amendment of the New Zealand Coach and Motor-Body Building Industry Apprenticeship Order, dated the 31st day of July 1969: And whereas the Court has considered the recommendations made to it by the said Committee: Now therefore, the Court, in pursuance and exercise of the powers vested in it by the said Act, doth hereby order as follows:

1. That the said apprenticeship order shall be amended by deleting subclause (a) of clause 10 (Proportion) and substituting therefor the following subclause—

"10. Proportion—(a) (i) In all branches the proportion of the total number of apprentices to the total number of journeymen employed by any employer shall be not more than one apprentice to every journeyman employed.

(ii) Notwithstanding the foregoing provisions the New Zealand Committee, on the recommendation of a local committee, may approve a proportion in excess of one to one where the local committee is satisfied that the employer has the necessary facilities for teaching the branch or branches of the industry mentioned in the contract of apprenticeship: Provided that no other vacancies for apprenticeship in this branch can be found in the area where the apprentice is to be employed, and that in no case shall the proportion of apprentices to journeymen exceed one over the total proportion of one to one notwithstanding the provision of subclause (b) of this clause."

2. That this order shall operate and take effect as from the day of the date hereof.

Dated this 16th day of December 1974.
