# VOLUNTARY AGREEMENT CHEMICALS MANUFACTURING COMPANY LIMITED, LOWER HUTT, PROCESS OPERATORS AND SHIFT AGREEMENT

PRIMARY AWARD — Northern, Taranaki, Wellington, Marlborough, Nelson and Canterbury Foodstuffs and with the exception of the Northern Industrial District Chemical Products Employees — Award.

In accordance with sub-clause (d) of clause 2 of the above Award dated 10 May 1982 the following sets forth the wages, terms and conditions pertaining to the operation of shifts at Chemicals Manufacturing Company Limited, Lower Hutt.

1. This Agreement applies to all process operators employed at CMC Limited, Lower Hutt, on process work and shift work.

2. Each shift will be worked as a rotating shift in the manner prescribed on an individual basis and as displayed in a prominent position within the factory. This information to be made available at least five clear days in advance of the commencement of shift work.

3. A continuous shift will be normally operated for a minimum period of five consecutive days during which time an operator may be required to move from one production centre to another. Work will then revert to normal day work until the shift operation recommences.

4. Each shift shall consist of 12 hours which will include 30 minutes cribtime and two ten minute 'smokos' and one further 'smoko' of ten minutes in overtime hours. Workers working shifts shall be paid \$4.18 per shift worked.

5. That shift hours or shift cycle may be altered from time to time where required by agreement between the employer and the union.

6. Changes to the shift roster may be made from time to time and workers will be invited to participate in the scheduling of the shift roster. Such shift arrangements to be agreed with the union.

7. (i) When a shift must be terminated because of plant breakdown, workers rostered to work in the 24 hours immediately following the breakdown will be paid as though no breakdown occurred. Where practicable, the shift roster shall continue upon recommencement of plant operation.

(ii) All workers affected by the breakdown shall be notified as soon as is possible of the date they are next required to report for duty, and shall be given at least 24 hours notice of such recommencement of work.

8. All times worked in excess of 8 hours per day or 40 hours per week, as specified in the shift roster, shall be paid time and one half ordinary rate for the first three hours, and double ordinary rate thereafter.

9. Shift work performed on Saturdays shall be paid for at time and one half ordinary rate for the first three hours, and double ordinary rate thereafter and all times worked after noon at double ordinary rate.

10. Shift work performed on Sundays shall be paid for at double ordinary rate.

11. When a worker is called back after having completed his days work and left his place of employment, or on a rostered day off, he shall be paid a minimum of four hours at the appropriate rate plus additional travel allowance where applicable.

12. Workers and employers shall adopt a responsible attitude in cases of genuine emergencies to relieve shift operators.

13. In accordance with Clause 12 where an operator remains on duty after end of the shift, the operator shall be paid a minimum of two hours at the appropriate rate.

14. The minimum wages paid to workers employed under this Agreement for less than 12 months service shall be —

Process Operator III .....	\$192.72 per week
Process Operator II .....	\$200.13 per week
Process Operator I .....	\$214.73 per week
Process Operator (Senior).....	\$219.44 per week

A location allowance of \$7.97 per week will be paid in addition to the rates of wages specified above and will be included in the hourly rate for the calculation of overtime.

15. No junior workers shall be employed on shift work.

16. Any worker required to start or cease work outside the hours of 7.00 am to 10.00 pm shall be provided by the employer with free transport to and/or from his home (as the case may be). If the employer does not provide the transport himself, the worker shall have his travelling costs reimbursed on the basis of either:

(i) Actual and reasonable fares incurred having regard to the availability of public transport at the time; or

(ii) A running allowance of the undermentioned amounts if the worker uses his own vehicle; provided however, that where more than one worker travels together in the same vehicle only one reimbursement shall be made —

Motor Car .....	32.7 cents/kilometre
Motor Cycle .....	17.2 cents/kilometre
Motor Scooter .....	15.0 cents/kilometre

(iii) This running allowance has been settled by an agreed formula, and will be subject to review six months from the date of the registration of this agreement by the application of the aforementioned agreed formula.

(iv) Where a worker elects to use a bicycle for the purposes of travelling to and/or from work, a weekly reimbursement of \$1.31 shall be made.

17. Work of an unusually dirty or offensive nature is to be paid at a flat rate not attracting overtime, at 36 cents per hour with a minimum of four hours whilst workers are so employed. Such work so classified to include:

(i) The manufacture and filling of packed products containing carbon black, namely black tyre paint;

(ii) Handling and loading into vessels aluminium powder, copper powder, graphite, molybdenum disulphide, dyes and pigments in powdered form, and sodium methoxide;

(iii) Packing of fungicidal dusts.

(iv) The drying of detergent slurry and bagging of detergent powder.

### TERM OF AGREEMENT

18. This Agreement shall be deemed to have come into force on the first day of the pay week commencing on or after the 5th day of April 1982 and this Agreement shall remain in force until the 1st day of December 1982, being the expiry date of the Primary Award.

For and on behalf of Chemicals Manufacturing Company Limited:

G. Mayes, Factory Manager.

For New Zealand (except Northern and Otago and Southland in the case of Chemicals and Otago and Southland in the case of Food Processing) Food Processing, Chemical and Related Products Factory Employees Industrial Union of Workers:

G. N. Fraser, Secretary.

Dated at Lower Hutt 18th June 1982.

#### MEMORANDUM

This collective agreement incorporates the terms of voluntary settlement arrived at by the parties and forwarded to the Court for registration pursuant to section 65 of the Industrial Relations Act 1973.

The parties' settlement for a shortened term has the Court's consent pursuant to section 92 (2) of the Industrial Relations Act 1973 and Regulation 6 (3) of the Wage Adjustment Regulations 1974.

The Court has registered the instrument after being satisfied that a complete settlement was arrived at by the parties before the commencement of the Wage Freeze Regulations 1982.

This collective agreement was formerly known as the Chemicals Manufacturing Company Limited, Lower Hutt Shift Operators Collective Agreement.
