Sir,

I have the honour to inform you that the requests received under the Programme of Participation in the Activities of Member States for 1973-1974 (reference CL/2222 of 27 September 1972) have now been examined and that I have taken my decisions in respect of them, bearing in mind in particular the directives given to me by the General Conference at its seventeenth session in resolution 5.31, the order of priority indicated by governments when making their requests and the funds available.

I have the pleasure to inform you that the following project(s) submitted by you have been accepted:

Number:

- 4093 Assistance for training course in oral traditions (not exceeding \$2,800)
- 4095 Assistance for research on the cultural history of the New Hebrides (not exceeding \$1,200)
- 4092 2-month consultant on planning of activities in the arts

../.

The Minister of Foreign Affairs,  
Ministry of Foreign Affairs,  
Wellington (New Zealand)

Aid for the above-mentioned project(s) will be granted in accordance with the principles, criteria and conditions laid down in resolution 7.21 adopted by the General Conference at its twelfth session (1962), as amended by resolution 5.41 adopted by the General Conference at its fourteenth session (1966) and by resolution 5.3 adopted by the General Conference at its sixteenth session (1970).

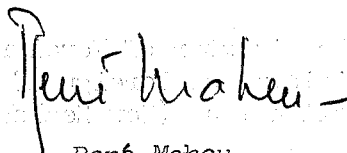

I would call your attention to the fact that, under the existing regulations, the Member State or organization concerned is required, when Unesco's aid takes the form of financial participation, to submit to me, at the close of the project, a statement to the effect that the funds have been used for the purpose of the project. This statement must be accompanied by a report on the way in which the money has been used. Any funds unused should be returned to Unesco.

If the foregoing proposals and the conditions laid down in resolutions 7.21, 5.41 and 5.3 meet with your approval, the present letter and your reply will constitute an agreement between Unesco and the Government of New Zealand. Receipt of this reply will enable me to authorize the programme sectors concerned to grant you the aid requested. It would be appreciated if your reply could be sent as quickly as possible and, at the latest, within two months of the date of the present letter.

With a view to hastening and facilitating the implementation of the Participation Programme, I should be most grateful if you would give due consideration to the time limits and the annexed information concerning the various types of technical and financial assistance.

Please accept, Sir, the assurances of my highest consideration.
