FIRST SCHEDULE.

1. In these conditions the terms—

"Low-water mark" means low-water mark at ordinary spring tides;

"Minister" means the Minister of Marine as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to the part of the foreshore and land below low-water mark adjacent thereto necessary for the maintenance of the said wharf at the site shown on the plan marked M.D. 2194.

3. In consideration of the concessions and privileges granted by this Order in Council, the licensee shall pay to the Minister the sum of £1 and thereafter an annual sum of £2 in advance, payable on the first day of April in each year, and the said annual sum of £2 shall constitute part of such rental in respect of the period from the 21st day of September, 1939, until the 31st day of March following to be paid on the licensee being supplied with a copy of this Order in Council.

4. All persons shall at all reasonable times and upon payment of the proper dues have free and full liberty to use the said wharf and all rights of ingress and egress thereto and therefrom.

5. His Majesty or the Governor-General, and all persons in the Government service acting in the execution of their duties, shall at all times have free ingress, passage, and egress into, through, over, and out of the said wharf without payment.

6. The licensee shall maintain the above-mentioned wharf in good order and repair, and shall at all times exhibit necessary lights for the guidance of vessels; provided that no light shall be exhibited until after it has been approved by the Minister.

7. Any person authorized by the Minister may at all reasonable times enter upon the said wharf and view the state of repair thereof and that is now or may hereafter be in force.

8. Any default or neglect on the licensee's part, the Minister may at all reasonable times enter upon the said wharf and view the state of repair thereof and that is now or may hereafter be in force.

9. The master of all vessels discharging ballast at the said wharf shall have all such ballast taken away and deposited above high-water mark, or at such place as may be approved by the Minister or by any person appointed by the Minister for that purpose.

Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last-known address of the licensee in New Zealand.

(2) Cause to use or occupy the said wharf for a period of thirty consecutive days;

(3) Fail to pay the sums specified in clause 3 of these conditions; or

14. In the event of this Order in Council being revoked for any reason whatsoever, or upon the expiry of the period for which the licence is granted, the licence shall, if required by the Minister to do so, remove the said wharf entirely from the site, and restore the site to its original condition within three months from the date of revocation or expiry, as the case may be; and, if the licensee fails so to do, the Minister may cause the said wharf to be removed and the site so restored, and may recover from the licensee the costs incurred by the said removal and restoration.

15. The occupation of the said wharf shall be sufficient evidence of the acceptance by the licensee of the terms and conditions of this Order in Council.

SECOND SCHEDULE.

GOODS WHARFAGE.
