2. In lieu of repayment being made by equal aggregate annual or half-yearly instalments of principal and interest, as specified in clause three of the said Order in Council, the said local authority shall, before raising the said sum, make provision for the repayment thereof by establishing a sinking fund under the Local Bodies’ Loans Act, 1926, or under such other statutory enactment as may be applicable, and shall thereafter make payments to such sinking fund at intervals of not more than one year, at a rate or rates per centum which shall not be less than three pounds ten shillings (£3 10s.), such payments to be made in respect of every part of the said sum for the time being so borrowed and not repaid, the first such payment to be made not later than one year after the first day from which interest to the lender or lenders is computed on the said sum or any part thereof so raised.

And whereas in respect of the amount of each such loan the sum specified in the Third Column of the said Schedule opposite such loan (hereinafter referred to as ‘the said sum’) has not yet been raised:
