

And whereas by Order in Council made on the twenty-eighth day of June, one thousand nine hundred and thirty-nine, the determinations were varied to provide that the rate of interest that might be paid in respect of the said loan should be such as should not produce to the lender or lenders a rate exceeding four pounds five shillings (£4 5s.) per centum per annum:

And whereas by Order in Council made on the fourth day of October, one thousand nine hundred and thirty-nine, the determinations were cancelled and other determinations were made in lieu thereof:

And whereas by Order in Council made on the fourteenth day of February, one thousand nine hundred and forty, the determinations made by the Order in Council of the fourth day of October, one thousand nine hundred and thirty-nine, were cancelled in so far as such determinations referred to the raising of the said loan and other determinations made in lieu thereof:

And whereas it is expedient now to cancel the determinations made by the Order in Council on the fourteenth day of February, one thousand nine hundred and forty, and to make other determinations in lieu thereof:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, and in pursuance and exercise of the powers and authorities conferred on him by section eleven of the Local Government Loans Board Act, 1926, as set out in section twenty-nine of the Finance Act, 1932 (No. 2), and of all other powers and authorities enabling him in this behalf, doth hereby cancel the said determinations, and in lieu thereof doth make the following determinations:—

(1) The term for which the said loan or any part thereof may be raised shall not exceed twenty (20) years.

(2) The rate of interest that may be paid in respect of the said loan or any part thereof shall be such as shall not produce to the lender or lenders a rate exceeding four pounds five shillings (£4 5s.) per centum per annum.

(3) The said loan or any part thereof, together with interest thereon, shall be repaid as follows:—

(a) By forty equal payments of one hundred and thirty-three pounds eight shillings and one penny (£133 8s. 1d.), one of such payments to be made at the end of every half-year commencing from the date on which the said loan is raised. Each such half-yearly payment shall be applied firstly in payment of interest computed at the rate of four pounds five shillings (£4 5s.) per centum per annum on the amount of principal for the time being outstanding at the beginning of each such half-year, and the balance of such half-yearly payment in reduction of such principal.

(b) By a payment at the end of the twentieth year from the date of the raising of the said loan of a sum equal to the amount to which the principal has been reduced in accordance with the preceding paragraph (a) hereof after payment of the aforesaid forty (40) half-yearly payments.

(4) The payment of such instalments shall be made in New Zealand and no instalments shall be paid out of loan-moneys.

(5) The rate payable for brokerage, underwriting, and procuration fees in respect of the raising of the said loan or any part thereof shall not in the aggregate exceed one-half per centum of any amount raised.

(6) No moneys shall be borrowed under this consent after the expiration of two years from the date hereof.
