

the Minister of Customs, or with any provisions of the Harbours Act, 1923, or its amendments, or any regulations made thereunder and that are now or may hereafter be in force.

9. The masters of all vessels discharging ballast at the said wharf shall have all such ballast taken away and deposited above high-water mark, or at such place as may be approved of by the Minister, or by any person appointed by the Minister for that purpose.

10. The rights, powers, and privileges conferred by or under this Order in Council shall continue in force for fourteen years from the 1st day of January, 1940, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the licensee shall not assign, charge, or part with any such right, power, or privilege without the written consent of the Minister first obtained.

11. The said rights, powers, and privileges may be at any time resumed by the Governor-General, and the licensee may be required to remove the said structures at the licensee's own cost, without payment of any compensation whatever, on giving to the licensee three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last-known address of the licensee in New Zealand.

12. The licensee shall be liable for any injury which the said wharf may cause any vessel or boat to sustain through any default or neglect on the licensee's part.

13. In case the licensee shall—

- (1) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2) Cease to use or occupy the said structures for a period of thirty consecutive days;
- (3) Fail to pay the sums specified in clause 3 of these conditions; or
- (4) Become bankrupt or be in any manner brought under the operation of any Act for the time being in force relating to bankruptcy—

then, and in any of the said cases, this Order in Council and every license, right, power, or privilege thereby conferred may be revoked and determined by the Governor-General in Council without any notice to the licensee or other proceedings whatsoever; and publication in the *Gazette* of an Order in Council containing such revocation shall be sufficient notice to the licensee and to all persons concerned or interested that this Order in Council, and the license, rights, and privileges thereby granted and conferred, have been revoked and determined.

14. In the event of this Order in Council being revoked for any reason whatsoever, or upon the expiry of the period for which the license is granted, the licensee shall, if required by the Minister so to do, remove the said structures entirely from the site, and restore the site to its original condition within three months from the date of revocation or expiry, as the case may be; and, if the licensee fails so to do, the Minister may cause the said structures to be removed and the site so restored, and may recover from the licensee the costs incurred by the said removal and restoration.

15. The occupation of the said structures shall be sufficient evidence of the acceptance by the licensee of the terms and conditions of this Order in Council.
