5. The licensee shall maintain the above-mentioned factory in good order and repair.
6. Any person authorized by the Minister may at all reasonable times enter upon the said factory and view the state of repair thereof; and upon such Minister leaving or posting to the last-known address of the licensee in New Zealand a notice in writing of any defect or want of repair.

9. The said rights, powers, and privileges may be at any time resumed by the Governor-General, and the licensee may be required to remove the said factory at the licensee’s own cost, without payment of any compensation whatever, on giving to the licensee three calendar months’ previous notice in writing. then, and in any of the said cases, this Order in Council and every license, right, power, or privilege thereby conferred may be revoked and determined by the Governor-General in Council without any notice to the licensee or other proceedings whatsoever; and publication in the Gazette of an Order in Council containing such revocation shall be sufficient notice to the licensee and to all persons concerned or interested that this Order in Council, and the license, rights, and privileges thereby granted and conferred, have been revoked and determined.

11. In the event of this Order in Council being revoked for any reason whatsoever, or upon the expiry of the period for which the license is granted, the licensee shall, if required by the Minister to do so, remove the said factory entirely from the site, and restore the site to its original condition within three months from the date of revocation or expiry, as the case may be; and, if the licensee fails so to do, the Minister may cause the said factory to be removed and the site so restored, and may recover from the licensee the costs incurred by the said removal and restoration.
