Section 4, Block III: Area, 402 acres. Capital value £100. Deposit on deferred payments, £5. Half-yearly instalment on deferred payments, £3 1s. 9d. Renewable lease: Half-yearly rent, £2.

Weighted with £125 (payable in cash) for improvements, comprising dwelling, fencing, and 300 acres felled and grassed. The improvements are in a very deteriorated state.

The section purchased on the V or chief road, thirty-five miles from Waiotaura. The soil is poor, resting on sandstone, clay, and papa formation. The area is in general hilly and broken, and is 500 to 900 ft. above sea-level.

The access from Waterloo Road is very poor as the section drops steeply away from this road which is formed but not-aged for the last nine miles and is very bad in wet weather, and the attention of intending applicants is specially drawn to the poor state of the access of this property. The Crown does not undertake to improve the existing access in any way.

Any further particulars required may be obtained from the undersigned.
