

PART V.

Mine-sweeping Operations.

H.M. vessels engaged in mine-sweeping operations or exercises are hampered to a considerable extent in their manœuvring powers.

VESSELS MUST KEEP CLEAR OF MINE-SWEEPERS.

With a view to indicating the nature of the work on which they are engaged, these vessels will show the signals hereinafter mentioned. For the public safety all other vessels, whether steamers or sailing craft, should endeavour to keep out of the way of vessels flying these signals and not approach them inside the distances mentioned herein, specially remembering that it is dangerous to pass between the vessels of a pair or group sweeping together.

1. Signals shown by day.

When towing Sweeps.

All vessels towing sweeps are to show:—

By Day.—A black ball at the fore masthead and a black ball at the yardarm on the side or sides on which it is dangerous for vessels to pass.

By Night.—All round green lights instead of the black balls, and in a similar manner.

(b) *Vessels or formations showing these signals are not to be approached nearer than 500 yards on either beam and ships are not to cross astern at a less distance than 1,000 yards.*

In no circumstances is a ship to pass through a formation of mine-sweepers.

(c) Mine-sweepers should be prepared to warn merchant vessels who persist in approaching too close by means of any of the appropriate signals from the Merchant Navy Code or the International Code of Signals.

PART VI.

Other Regulations in Force.

Nothing in this notice is to be taken as overruling such general or local regulations as may be issued by the Public Traffic Regulations at each port, through routeing authorities, by Notices to Mariners or other means, to meet new dangers or situations which may arise, or to cover local conditions.

Attention is called to Notices to Mariners at present in force as follows:—

- (a) Cautions regarding extinction or alterations of coastal lighting in British, Dominion, and Allied colonial waters.
- (b) Navigation lighting restrictions. (Navigation and Anchor Lights Order, 1939.)

NOTE.—This notice is a revision of Notices 1 and 1437 of 1940.

Authority.—The Lords Commissioners of the Admiralty. (H. 3336/40.)
