

of the persons engaged as principals in the industry, or have been approved by persons employing a majority of the workers engaged in the industry.

And it is further notified that the Minister will forthwith after the 27th day of September, 1941, refer to the Bureau for consideration any recommendations or objections relating to this provisional plan that may be received by him pursuant to the said Act, and all such recommendations or objections should accordingly be delivered to the Minister not later than the last-mentioned date.

#### SCHEDULE.

##### PROPOSED SPECIAL REGULATIONS.

1. THESE regulations may be cited as the Industrial Efficiency (Radio) Regulations 1941.

2. These regulations shall be deemed to be special regulations within the meaning of the Licensed Industries General Regulations 1940 (hereinafter called "the general regulations"), which shall apply as hereby modified in relation to the industry referred to the next succeeding regulation.

3. These regulations shall apply in relation to the industry referred to in the Industry Licensing (Radio-manufacture) Notice 1939, and therein described as follows:—

"The manufacture for sale of radio receiving sets as herein defined."

4. Paragraph (r) of Regulation 3:2 of the general regulations is modified in its application to the said industry by adding thereto the following words: "in so far as licensees desire to participate, in whole or in part, in such services."

5. The Bureau shall refer to the Committee for consideration, and report as provided by paragraph (a) of Regulation 3:2 of the General Regulations, every application by any person for or relating to a license, including an application relating to conditions to which a license is or is proposed to be made subject, and every proposal by the Bureau materially to vary the terms or conditions of a license:

Provided that no determination of the Bureau shall be invalidated or affected by non-compliance with this regulation.

6. The Committee shall consist of such number of persons as the Minister from time to time thinks fit to appoint, not being more than nine or less than five in number.

7. Subject to Regulation 9 hereof the Minister shall before making any appointment of a person to be a member of the Committee give public notice in the *Gazette* notifying his intention to make such appointment, and calling upon licensees to submit to him in writing, not later than a date to be specified in the notice and to be at least three weeks after the date of first publication of the notice, the names of persons to be appointed.

8. Subject to Regulation 9 hereof the Minister shall not make any appointment to the Committee until after the date specified in the notice published pursuant to Regulation 7 hereof, and shall not appoint to be a member of the Committee any person whose name has not been submitted to him pursuant to notice given under Regulation 7 hereof.

9. Regulations 7 and 8 hereof shall not apply to an appointment at the time of which there are at least five continuing or concurrently appointed members of the Committee who prior to appointment have been nominated pursuant to Regulation 7 hereof.

10. In making appointments to the Committee the Minister shall, as far as in his opinion practicable, have due regard for geographical representation.

11. Every appointment to membership of the Committee shall take effect on the day on which notice of the appointment is published in the *Gazette*, or on any later date specified or referred to in such notice.

12. Every member of the Committee shall hold office during the Minister's pleasure, and may at any time be removed from office by the Minister by notice in writing published in the *Gazette*, and if any appointment be expressed to be for a stated term it shall be understood and taken to be an appointment for a period expiring at the end of that term and shall expire accordingly unless the person appointed be previously at the pleasure of the Minister removed from office.

Dated at Wellington, this 9th day of September, 1941.

D. G. SULLIVAN,  
Minister of Industries and Commerce.
