As witness my hand, this 20th day of November, 1941.

R. SEMPLE, Minister of Railways.
IT is hereby notified for public information that the Hon. the Minister of Customs has decided to interpret the Customs Act in relation to the undermentioned articles as follows:-

Notes.—(a) "Not elsewhere included" appears as n.e.i.; "other kinds" as o.k.; "articles and materials suited for, and to be used solely in, the fabrication or repair of goods within New Zealand" as a. and m.s. (b) Articles marked thus are revised decisions. (c) The rates of duty payable on goods set out hereunder have not been shown except in the case of goods declared under Tariff items 418, 448, and 449 (2), and of goods admitted (under the provisions of section 11 of the Customs Amendment Act, 1927) at a rate of duty lower than that provided for in the First Schedule to the Customs Acts Amendment Act, 1927.

(d) Steam-engines, gas-engines, oil-engines, and electric or other motors are not, unless otherwise indicated, to be regarded as parts of the machines with which they are imported. (e) Surplus as provided for in section 4 of the Customs Acts Amendment Act, 1930, or prismatic duty as provided for in section 4 of the Customs Acts Amendment Act, 1931, as the case may be, is payable in addition to the duties set out hereunder.
