Authorizing the Laying-off of Roads of less Width than 66 ft.

Whereas in the opinion of the Minister of Lands it is inexpedient by reason of the fact that the land shown upon the plan of Town of St. Barnabas Extension poses, that Karo Street shown thereon should be of the width of 66 ft.;

Now, therefore, in pursuance of the power conferred upon him by section 17, subsection (1), of the Land Act, 1924, and of every other power him thereunto enabling, the Minister of Lands doth hereby authorize the laying-off of Karo Street of a width not less than 40 ft. : Provided always that it shall not be lawful for any person to erect or cause to be erected any building at a less distance than 33 ft. from the middle of such street.

Given under the hand of the Minister of Lands, this 22nd day of January, 1942.

J. G. BARCLAY,

Upset price: £1,500.

Time for removal: Two and a half years.

Terms of Payment.

A marked cheque for one-tenth of the amount tendered, together with 21 ps. license fee, must accompany the tender, and the balance to be paid in twenty equal monthly instalments, the first of which shall be paid one month after the date of the sale and the others at monthly intervals thereafter.

Terms and Conditions.

1. All instalment-payments shall be secured by "on demand" promissory notes made and endorsed to the satisfaction of the Commissioner of State Forests, and interest at the rate of 1 per cent. per annum in excess of current bank overdraft rates will be charged on all notes overdue from the date of maturity to the date of payment.

2. The right to cut and remove the timber will be sold in accordance with the provisions of the Forests Act, 1921-22, the regulations in force thereunder, and these conditions.

3. The aforesaid mention of quantity, quality, and kind as to the said timber shall be taken as sufficiently accurate for the purposes of this sale, and no contract for the purchase shall be voidable, nor shall the successful purchaser be entitled to any abatement in price, by reason of the said timber being of less quantity, quality, or kind as stated herein or in any advertisement having reference to the said timber.

4. A return giving the number of logs out of each species and their contents must be made quarterly by the licencee on the last days of March, June, September, and December, respectively, in each year. A return must also be made on the same dates showing the output of sawn timber of each species. These returns may be ascertained and verified by inspection of the books of the mill, or by such other means as the Conservator may require, and for this purpose the accounts and books shall be open to the inspection of the Conservator, a Forest Ranger, or other duly authorized officer.

5. The attention of all tenderers is drawn to the fact that the local controlling body may require the successful tenderer to pay any claims or charges which may be made by that body for the maintenance of the road over which the timber may be transported, and before a sawmill license is issued a letter indicating that satisfactory arrangements have been made in this connection must be produced to the undersigned.

6. The successful tenderer is expected to visit the locality and to satisfy himself in every particular on all matters relative to the sale.

7. Each tenderer must state the total price that he is prepared to pay for the timber. The highest or any tender will not necessarily be accepted, and the timber described is submitted for sale subject to the final acceptance of the tender by the Commissioner of State Forests.

8. The right is reserved to the Commissioner of State Forests to withdraw from sale any or all of the said timber either before or after the close date for receipt of tenders.

9. If no tender is accepted for the timber herein mentioned it will remain open for application for three months from the date tenders close.

10. Tenders should be on the special form obtainable from any office of the State Forest Service, and should be enclosed in envelopes addressed "Conservator of Forests, Palmerston North," and endorsed "Tender for Timber."

The conditions, which will be inserted in the license to be issued to the purchaser, and further particulars may be obtained on application to the undersigned or to the Director of Forestry, Wellington.

S. A. C. DARBY, Conservator of Forests.
